MONTE VISTA

1983

To the only teacher that hit me on the head with a book, even though I didn't learn to much Spanish, and even though I got an F in the Fourth quarter, I still had fun, Take care of yourself.

Love
Richard M.

Mr. Frat.
your class has been a real challange this year. I wish it wasn't 4th period. I tend to get bored before lunch. Hope next year at your new job you will like it. Bye

Todd

Señor Fratcelli
Nola! Whad, I'm glad Spanish is over with. I enjoyed you though and I'm gonna miss you. Be sure and visit us soon!!! I hope you have lots of luck in the future. Have a wonderful summer!!

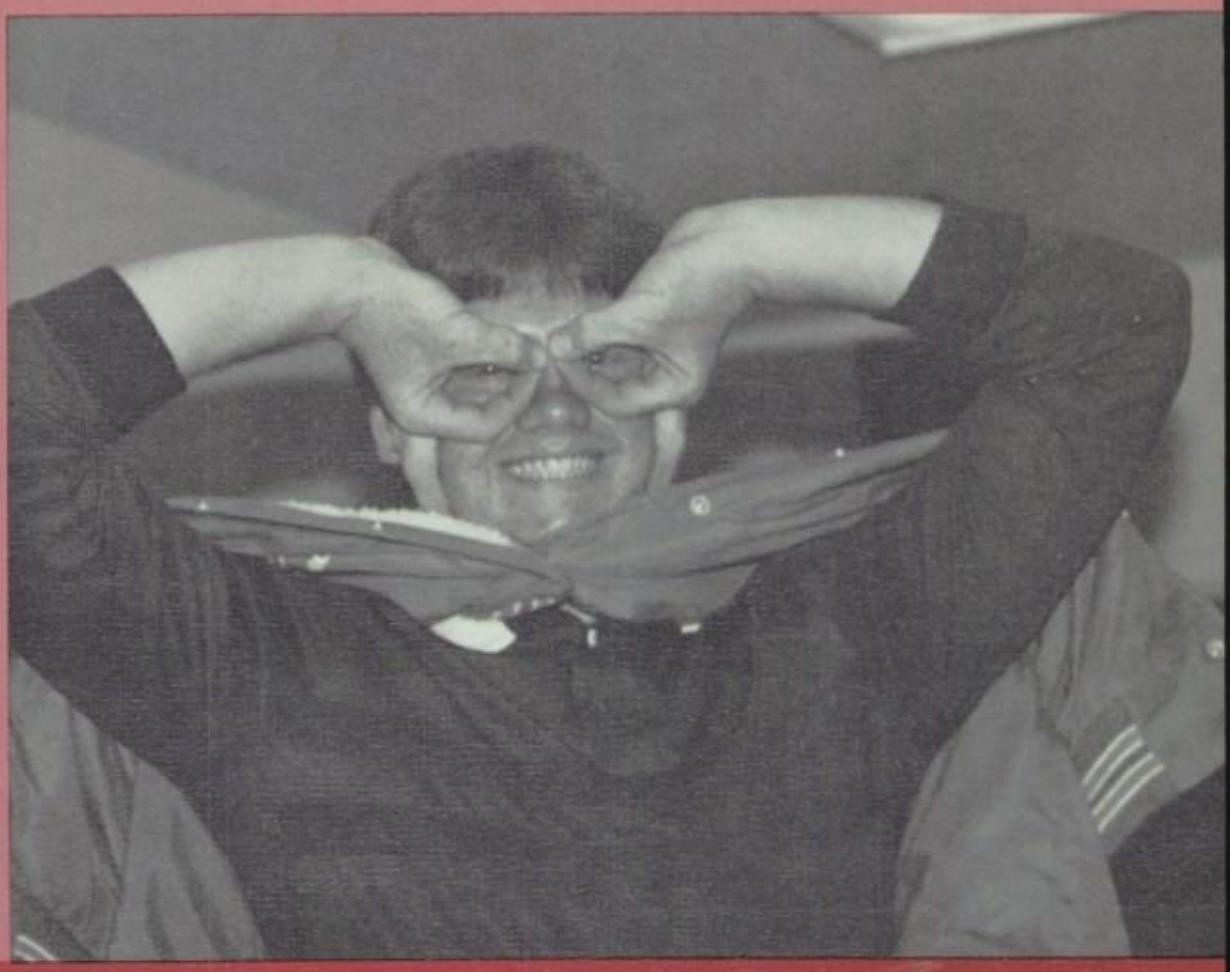
ROSSIGNOL



Presidentially Speaking...

Dear Alumni of '83!

Benjamin Franklin said that we know worth of water when the well runs dry. We all tend to learn the worth and fun of school after it is over.

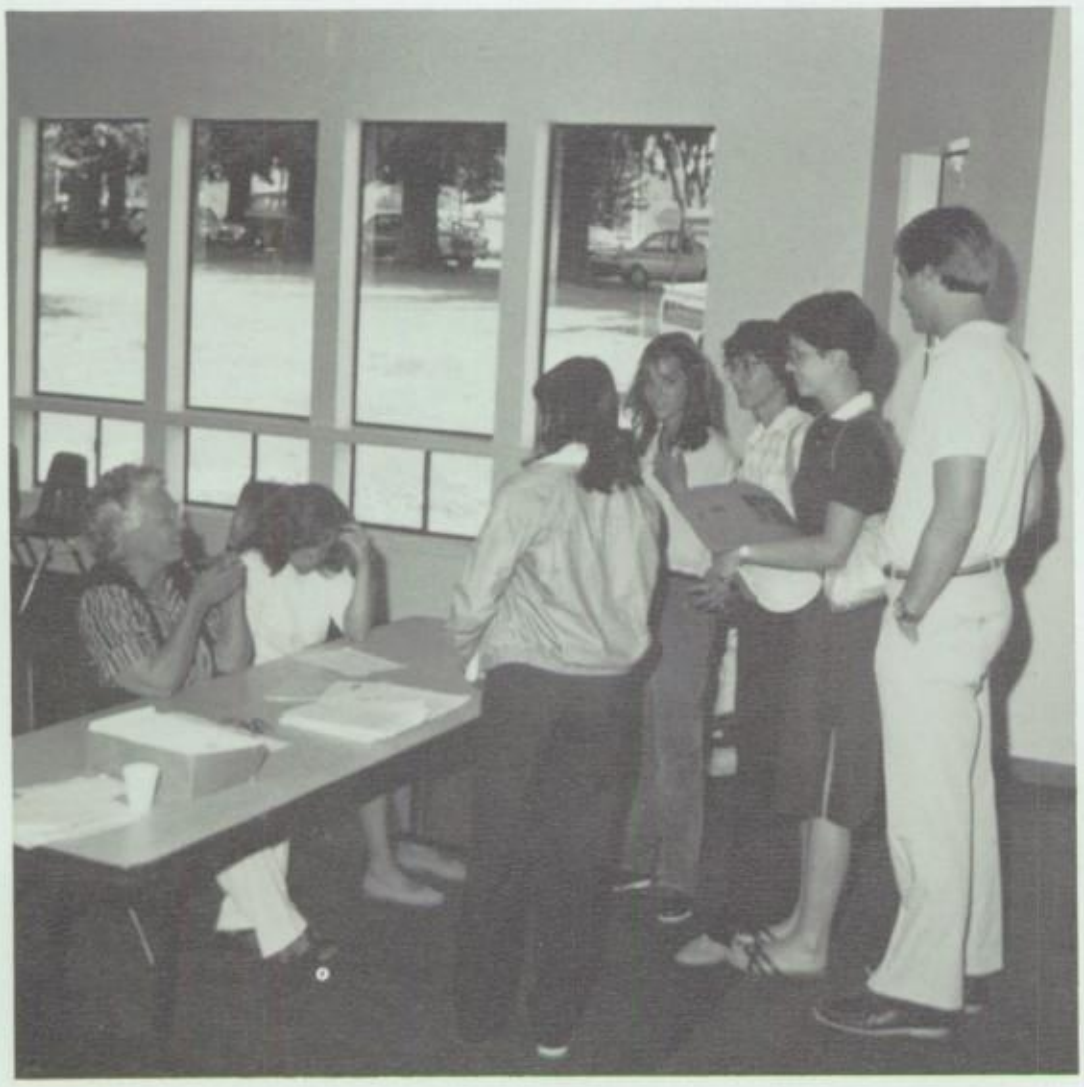
If you find later on that Monte Vista really was a great place to be, consider yourselves invited back some day. Really! All you have to do is become further trained so you will fill one of the many positions here. It will take a good deal of hard work and, doubtless, some Christian dedication on your part.

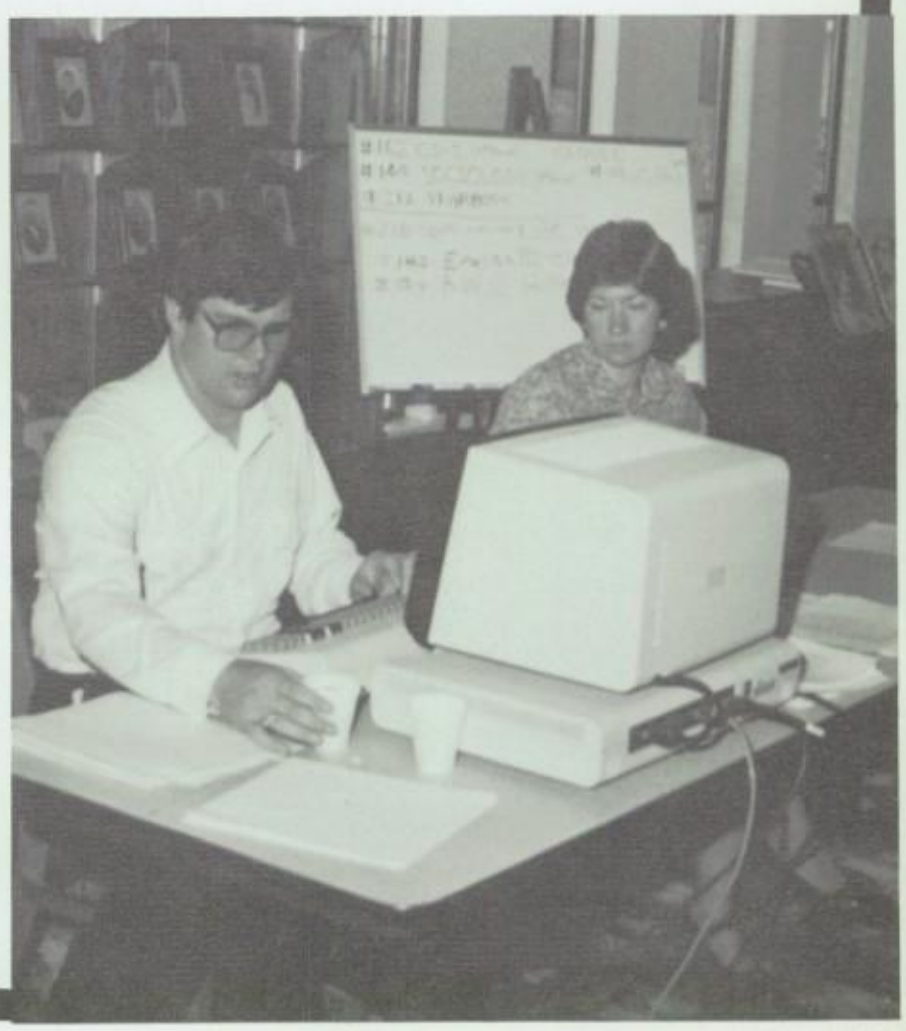
If you never feel called back to your Alma Mater as many have, work just as hard to become a great businessman or woman or artist or anything worthwhile.

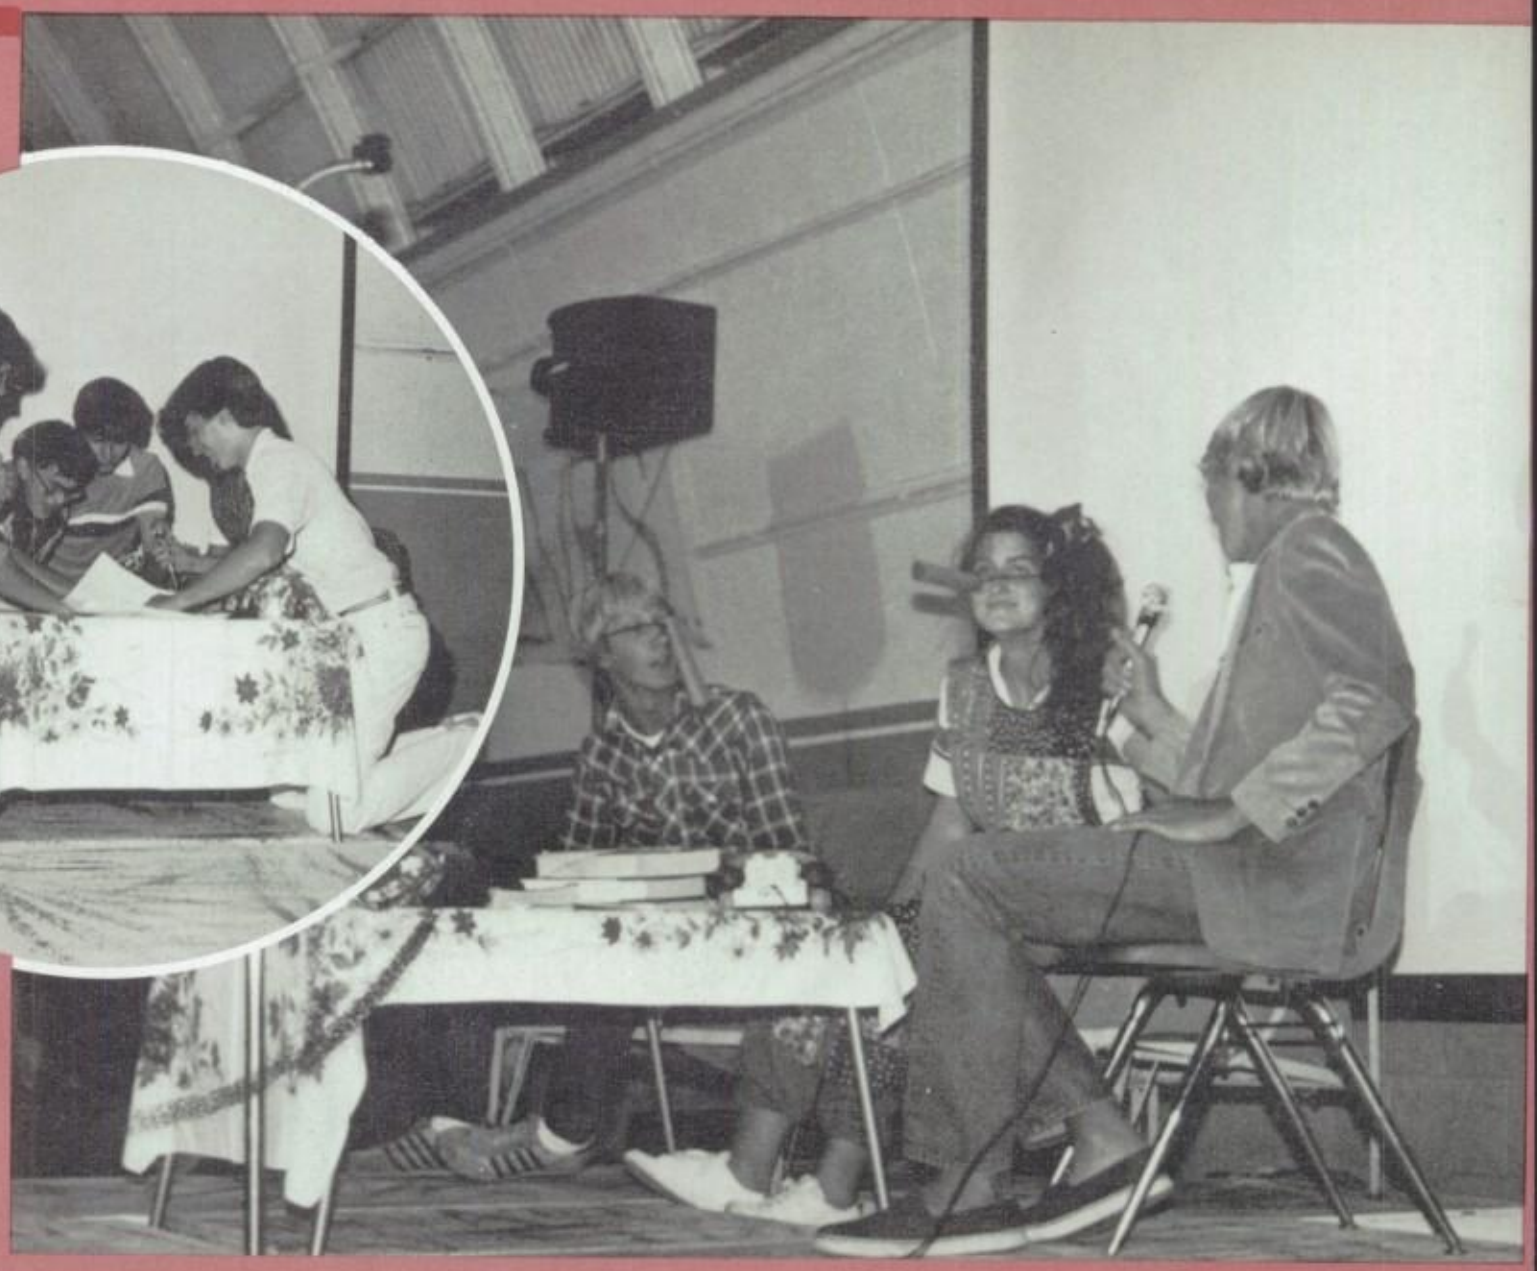
But always remember that you're an alumnus of a great class and school. Come and visit. Pray down through the years with us for you and us here on the campus. We are proud of you '83.

Don Price

Our Ascent Begins







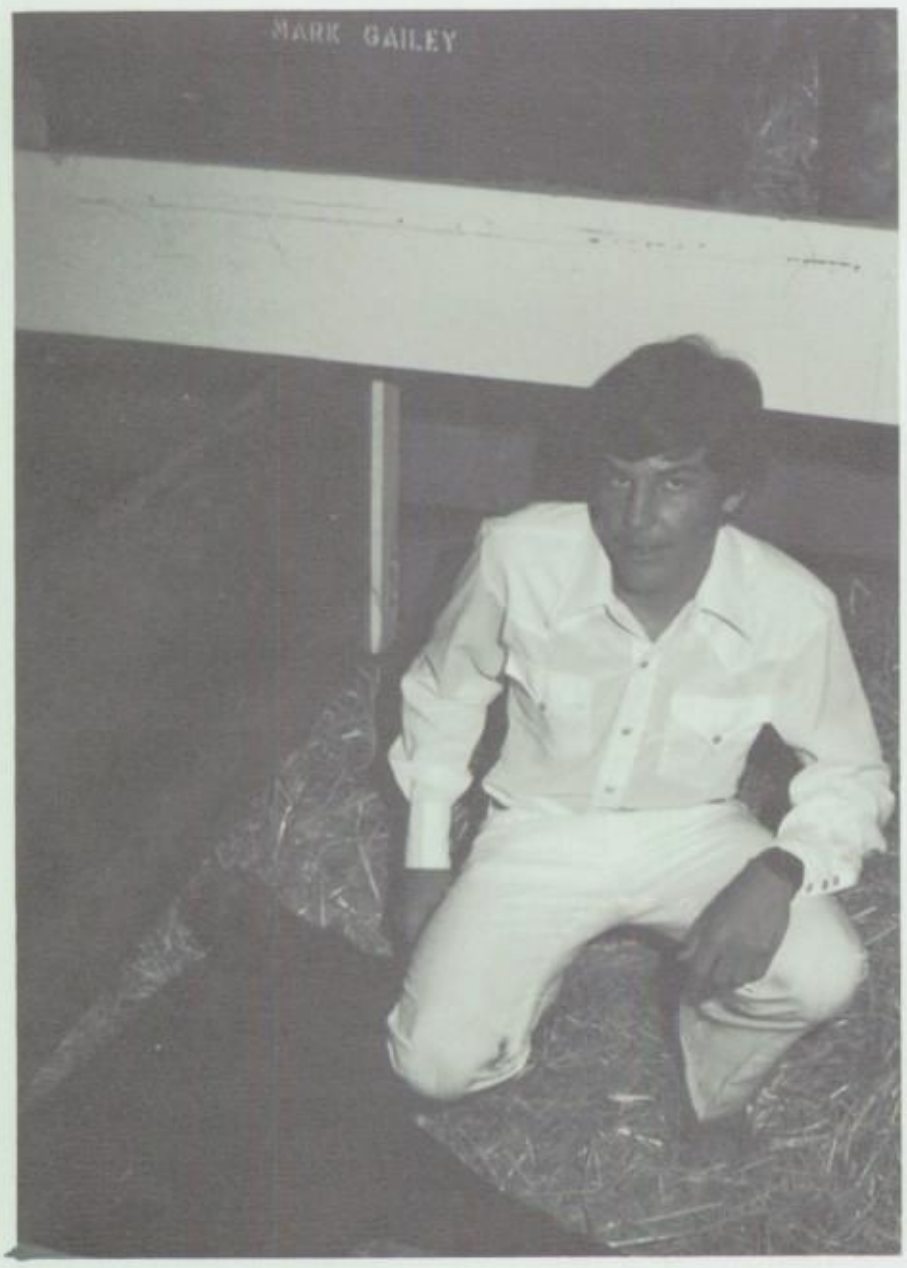
Catch That MV Spirit
82-83

Wednesday, September 8, 1982, was "Opening Night" at Monte Vista Gym. Over 300 new and returning students streamed in ready to be entertained. What they witnessed cannot be adequately expressed in words. We had funny yet thought provoking skits performed by the Student Council; we viewed a film entitled "The Greatest Days of Our Lives...So Far;" and while our school spirit was high, we signed up for clubs. We ended the evening with refreshments, swimming, and time for fellowship.

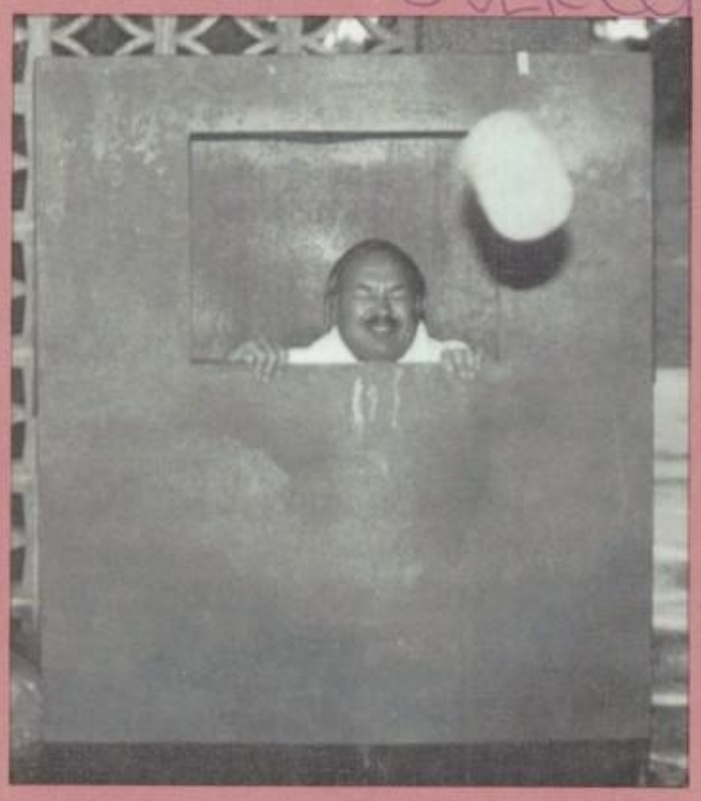
HELLO! WHO ARE YOU?

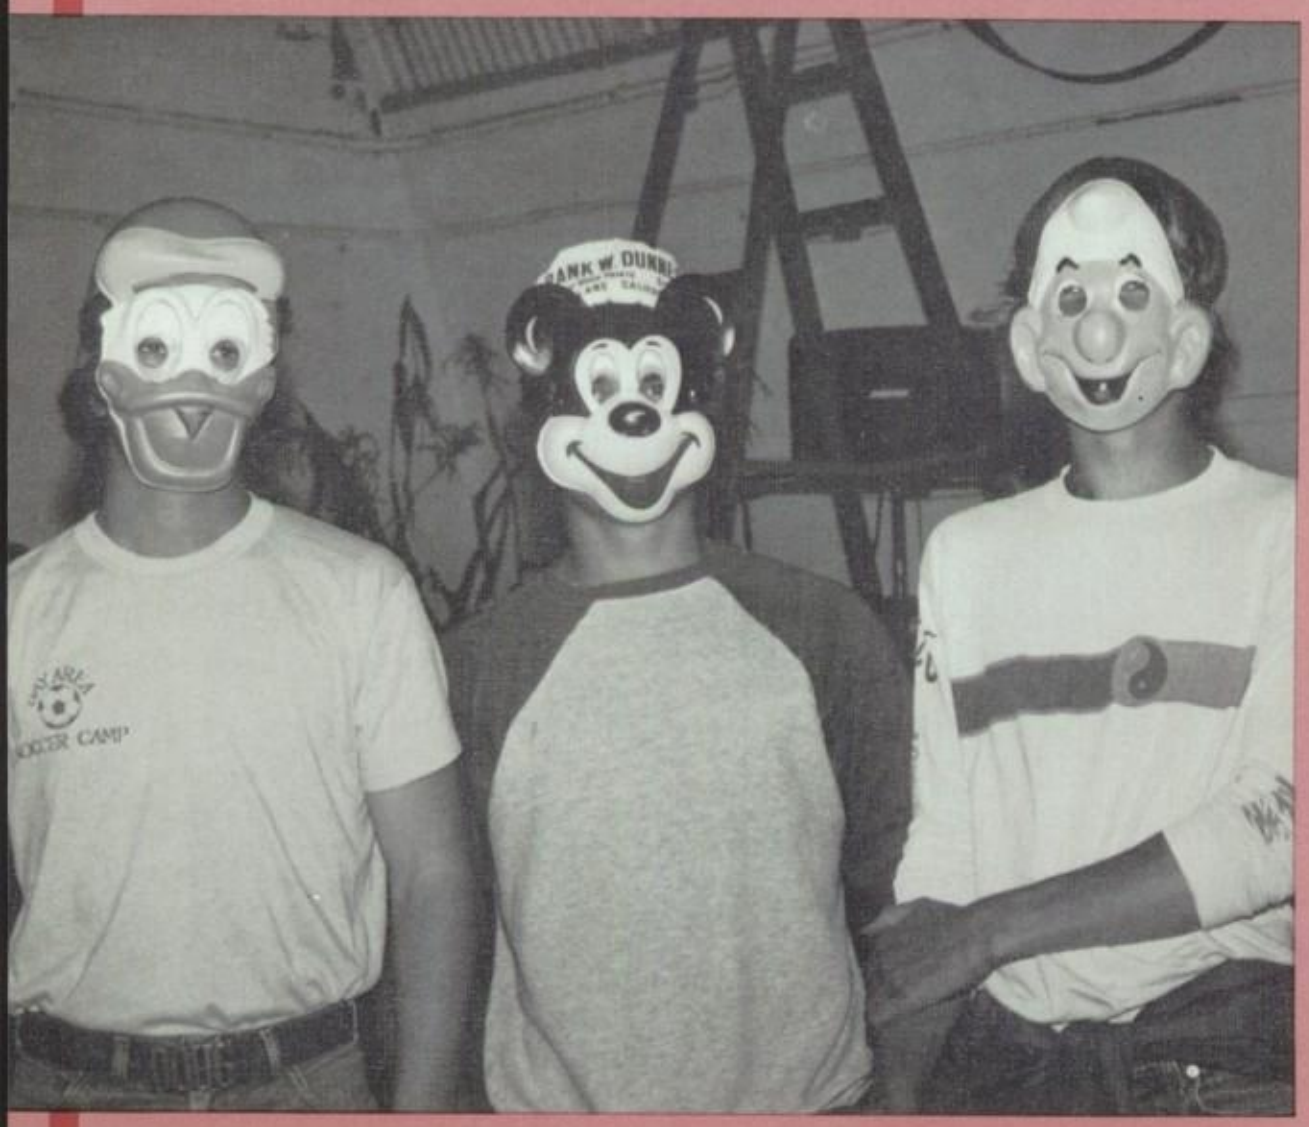
A Fan-Fair of Fun

Inflation, that economical monster, affected even our beloved Fair this year. Can you imagine tossing quarters instead of dimes just to win one of those cute, adorable stuffed beasts? The price of admission went up and the attendance came down, but those several Monte Vista staff and students who participated had a "Fan-Fair of Fun!"



Our annual Harvest Fair really took on a different look this year. In an atmosphere of fun, we set up several different booths promoting several different products. With all the various "Fun-Centers" you could do anything from eating a pie in 5 seconds to tossing ping-pong balls in a jar to win yourself a goldfish. Other booths included face painting, 50¢ weddings, posed portraits, sponge throw, and lots of great grub. Following the Fair, we were treated to the movie "Black Stallion", in our chapel.

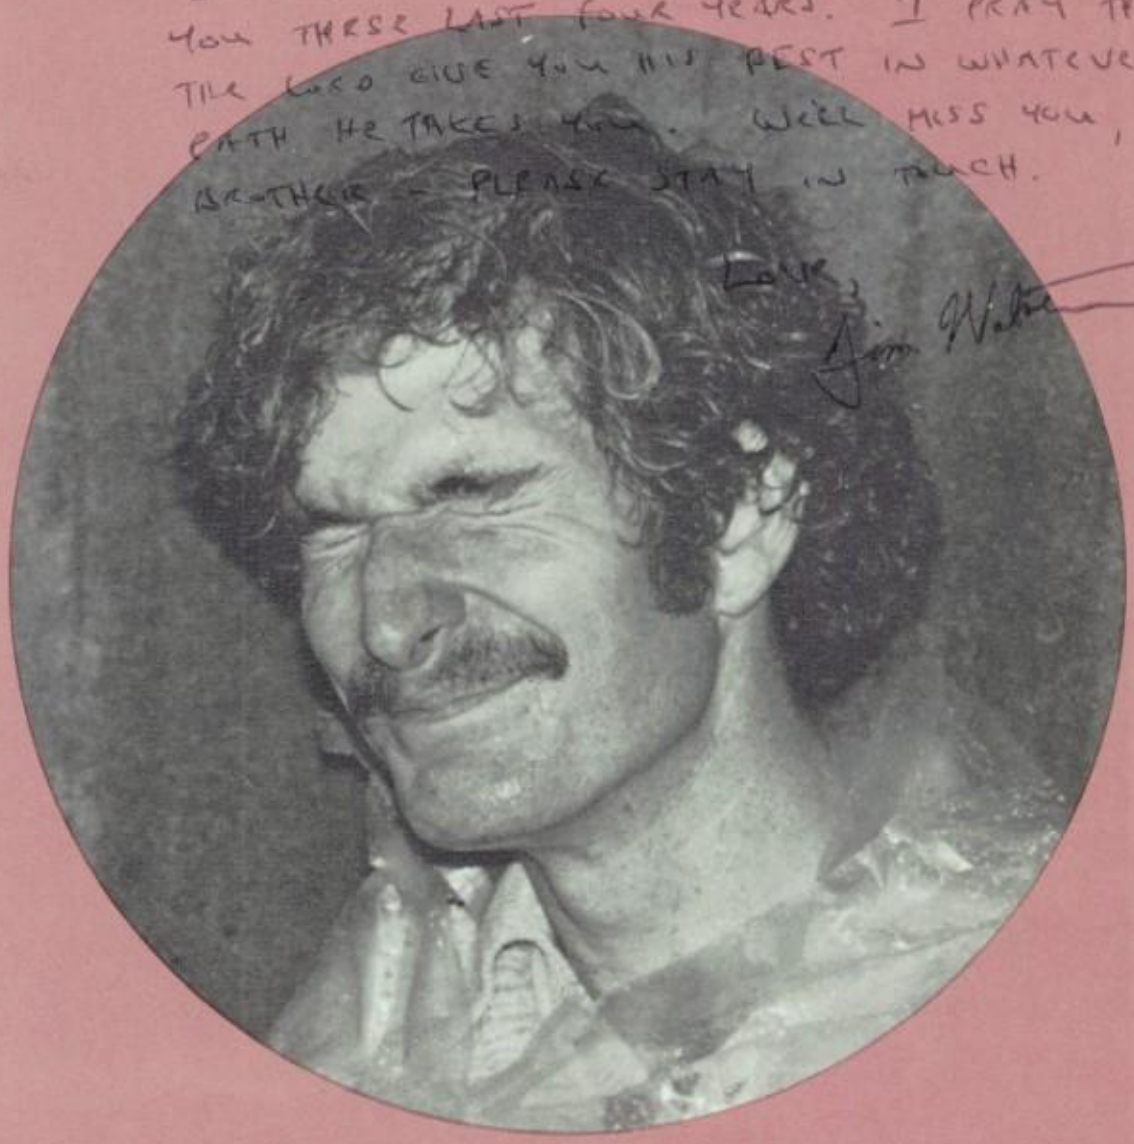


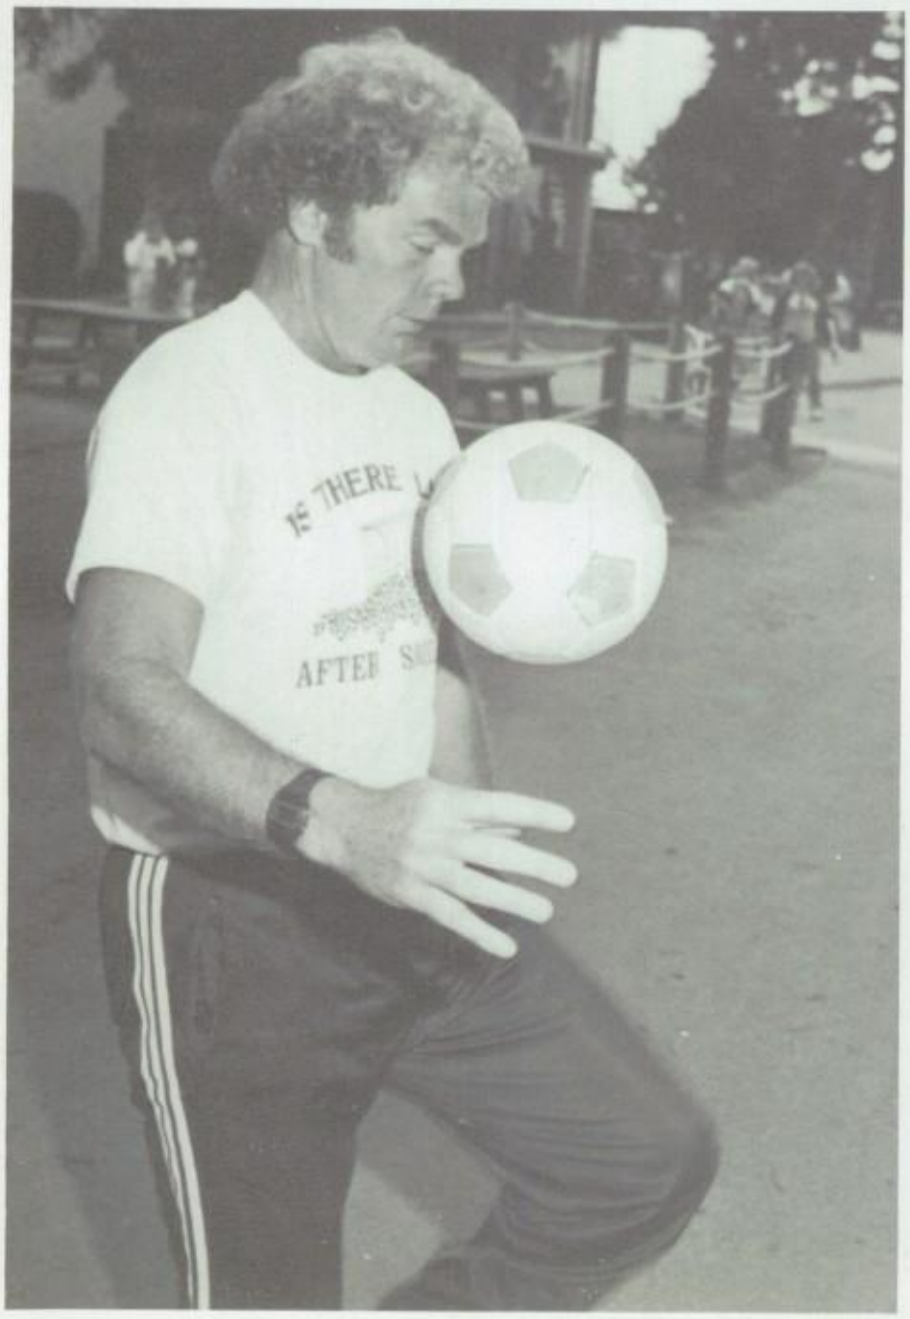


DEAR ANGELO,

IT'S BEEN A REAL HONOR TO WORK WITH YOU THESE LAST FOUR YEARS. I PRAY THAT THE LORD GIVE YOU HIS BEST IN WHATEVER PATH HE TAKES YOU. WE'LL MISS YOU, BROTHER - PLEASE STAY IN TOUCH.

LOVE,
Jim Walker





Dear Mr. Frat;

I have to admitt that you are my favorite teacher here.. Why? I dont have the fainstest idea, but I think its because you're such a great guy! You've always got me laughing and I think thats great! You're not like most teachers with buns in their hair + yardsticks in their hands, (Ha, I can see you with a bun in your hair!) But instead you talk to the students like they're people not robots! I ♡ U tons and Im really gonna miss you! You're the best Spanish teacher I've ever had! Have a great summer + a great life!

Muchas Gracias! Seattle 83' Love always, Delaine (Elena)

We Dedicate Our Yearbook To

The Yearbook Staff feels it is a real privilege to dedicate its Monte Vistan to Clark Wetzel. He is the only high school principal any of us can remember, and we want to take this time and space to honor him.

Mr. Wetzel was born in Emmaus, Pennsylvania on January 28, 1938. He realized at a young age that a life in education was for him, so he quickly enrolled in kindergarten. His academic promise was quite evident and he found himself promoted to the first grade within a year. Soon, finger paints became paintbrushes, which in turn became crayons, then large red pencils which took two hands to hold, then "grown-up" yellow pencils. In a few short years, he had made it to high school where he enjoyed his keen haircut, football, and the science club. His involvement in science club inspired him to major in biology in college.

He attended the Pennsylvania State School of Forestry for a year, but left when he was told that only he could prevent forest fires. He transferred to Bluffton College from which he received his degree in biology in 1959. Since then, Mr. Wetzel has attended Illinois State University, Trenton State College, Rider College, our own Cabrillo College, and Michigan State University where he received his Master of Science degree in 1967. While attending these institutions, he was involved in yearbook, school newspaper, dorm council, and chasing his girlfriend, Lynda. Finally, out of breath, they were married on August 22, 1959. They have two sons: Eric, who graduates from MV this year, and Tim, a freshman.

Mr. Wetzel has worked as a forestry technician (until he realized he could not get electricity from a Redwood), real estate salesman, a shop owner in Bend, Oregon, and a biology teacher, dean, and principal here at Monte Vista. He loves to do wood carving, play golf, go skiing, go backpacking, and take photographs(many of the pictures in this yearbook were taken by Mr. Wetzel). If he could have any job he wanted, he would be a photographer for a high class magazine and travel all over the world meeting people, learning their cultures, and snapping his Nikon.

Mr. Wetzel believes every man and woman should be taught to recognize, understand, and appreciate God's creations so that they can live together in peace and harmony. We thank you, Mr. Wetzel, for your example. We're very proud to dedicate this book to you.

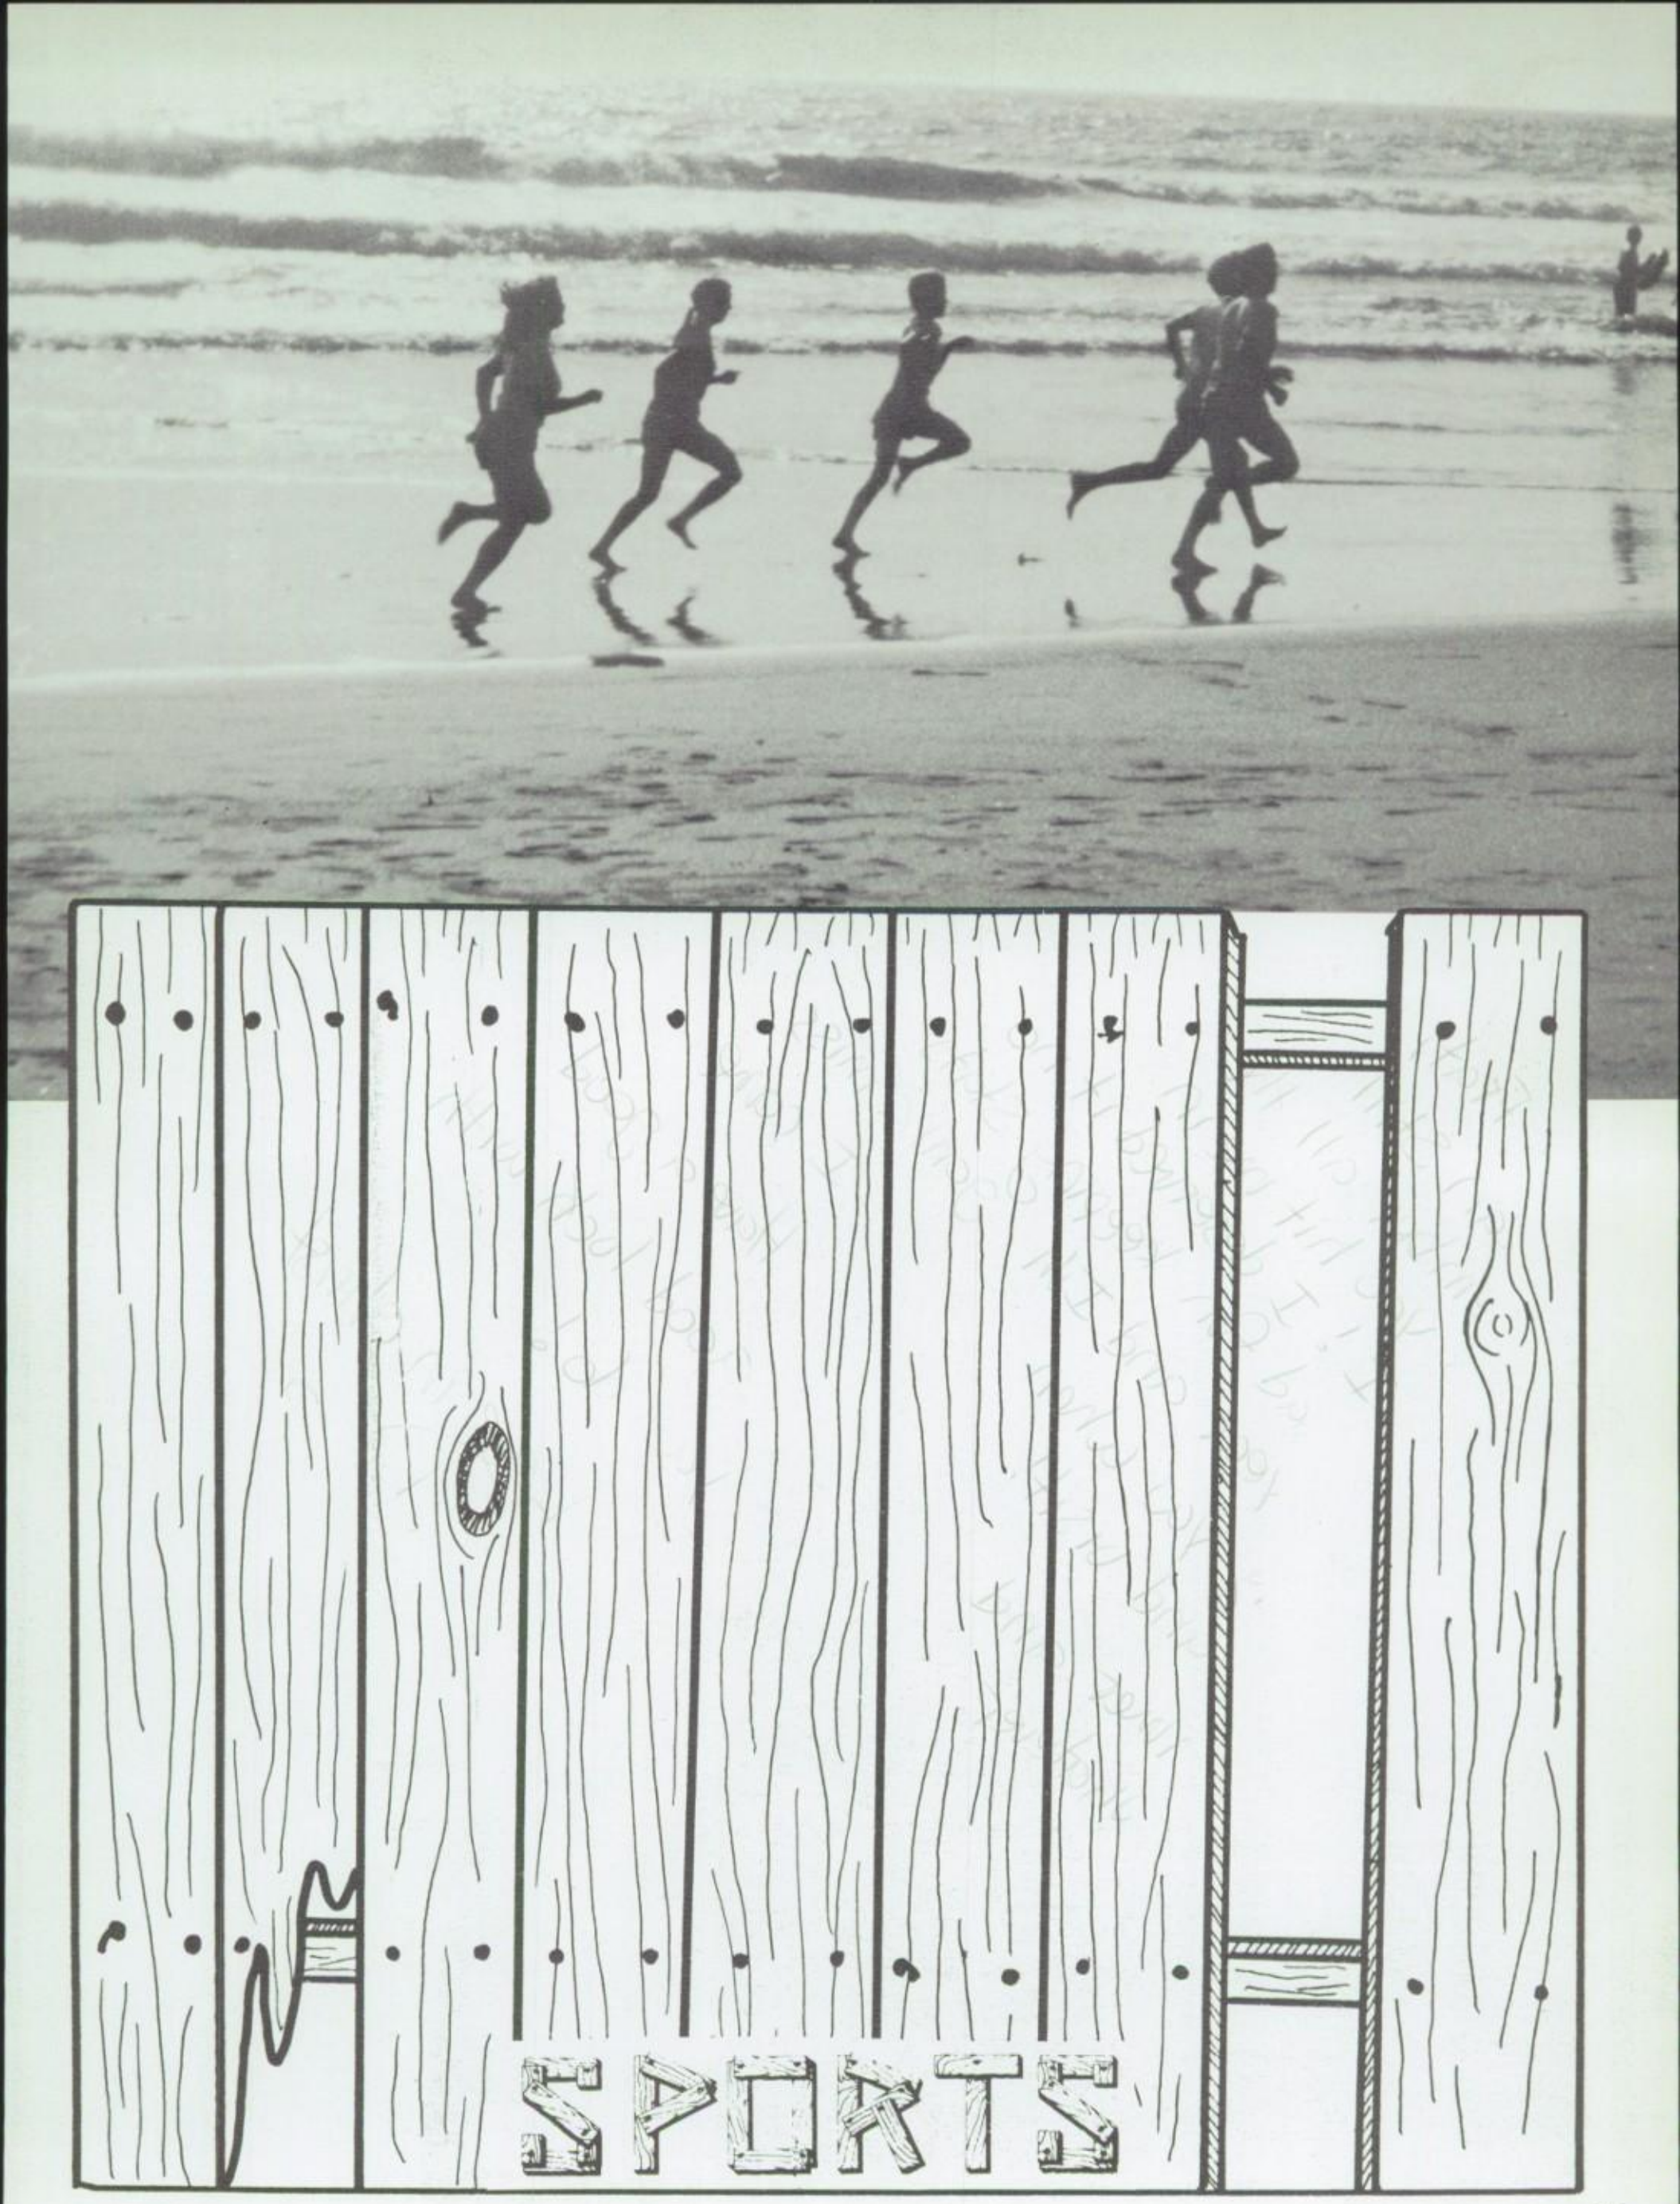
PERFECT SENIOR



SPORTS

Soccer is alive and doing well at Monte Vista. The Varsity team finished 8-3-1 in league play and 11-4-2 overall play, Coach Lyons recorded his 100th varsity soccer win. Total goals scored were 53 by Monte Vista and total scored by opponents against M.V. was 15.

Captain Mike Rivas was again Leading scorer with 14 goals. Followed by an outstanding freshman, Keith Sutter, with 10. The soccer team is losing some outstanding seniors, halfbacks-captain Adam Varni, Devin Eckhardt, and Carl Fleming. Full Colors were awarded to Steve Martin, Keith Sutter, Doug McGhee, Derek Skaggs and Scott Penner.

Returning players promise to be a strong nucleus for next years season.

"It was a great season, and a great group of guys to coach. Their dedication, enthusiasm and support of each other throughout the season was something that I really enjoyed being a part of." -Coach Lyons-

The Junior Varsity soccer team ended with a 5-5 season record this year, placing them third in CSAL. They played hard, losing only one game by more than one point, and ending two in shootouts. The last game was the best, with a score of 4-1. There was a night of pizza and hooting as the team reviewed a film of this game.

Tony DeGear, Tim Wetzel, Robert Harris, Will Lau, Bob Mize, and goalie Brian Ridgway hustled on defense, as well as Mike Bridgette, Mike Nelson, and Jaime Ospina on offense. Coach Sailer wants to thank all of the players for their many contributions and dedication to the team.

Summer camps along with returning players promise to make next year great.

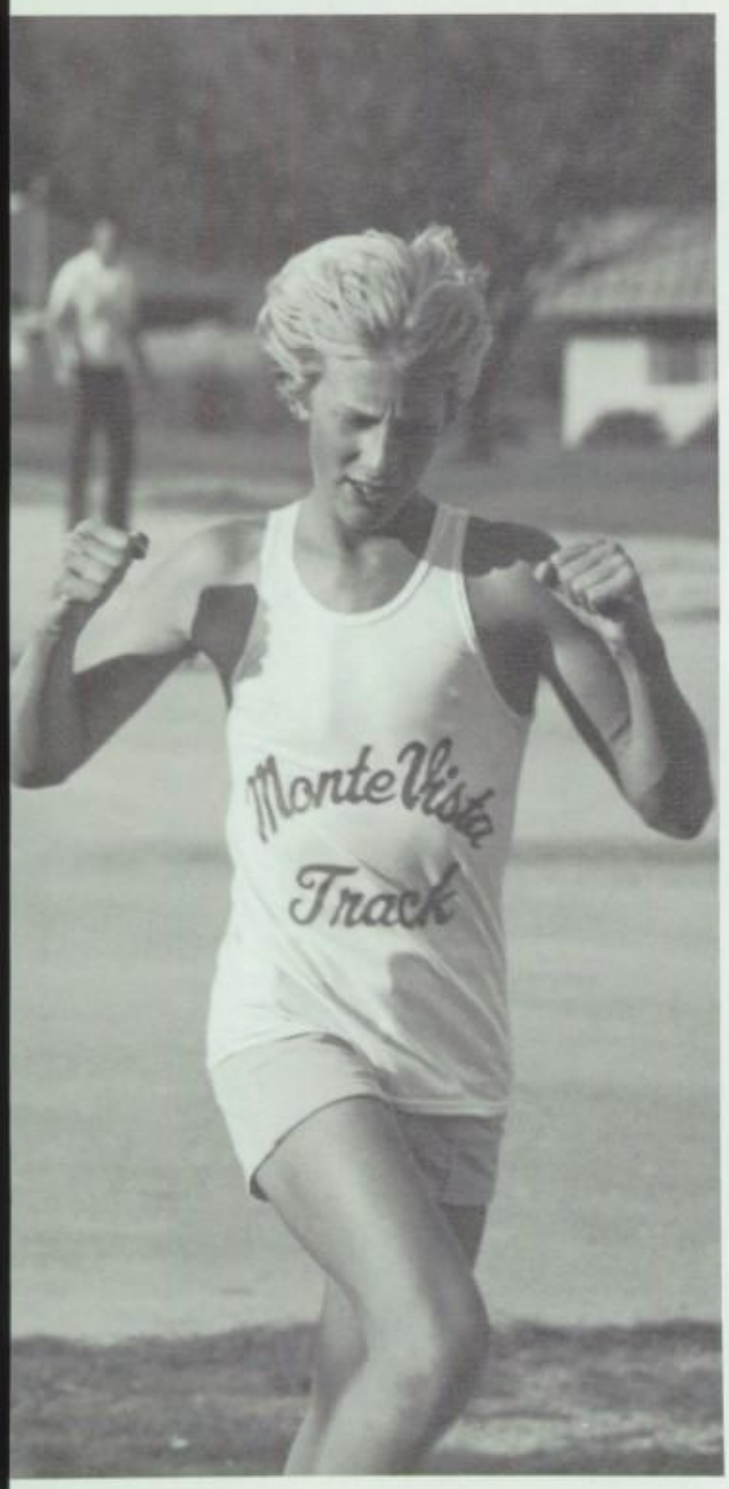
GIRLS

Soccer is alive and well at Monte Vista and for the first time, a lady's team was fielded. The season ended in two wins, three losses and two ties. The wins were against two public high school dynasties Watsonville and Aptos. Standout performances turned in by Goalie Laura Price who allowed only one goal combined in the two games, and Teri Sargent and Chemayne Schecter who led the scoring in the two wins.



Cross Country. The sport that involves running across the countryside and enjoying all that God created. Our team was able to train at sites such as the beach, the mountains and the rolling hills; all of which surrounds Monte Vista's beautiful campus.

The Runner. Graceful in every stride that is made. A wonder to see how majestically God created our physical body to endure the obstacles a course presents you with.

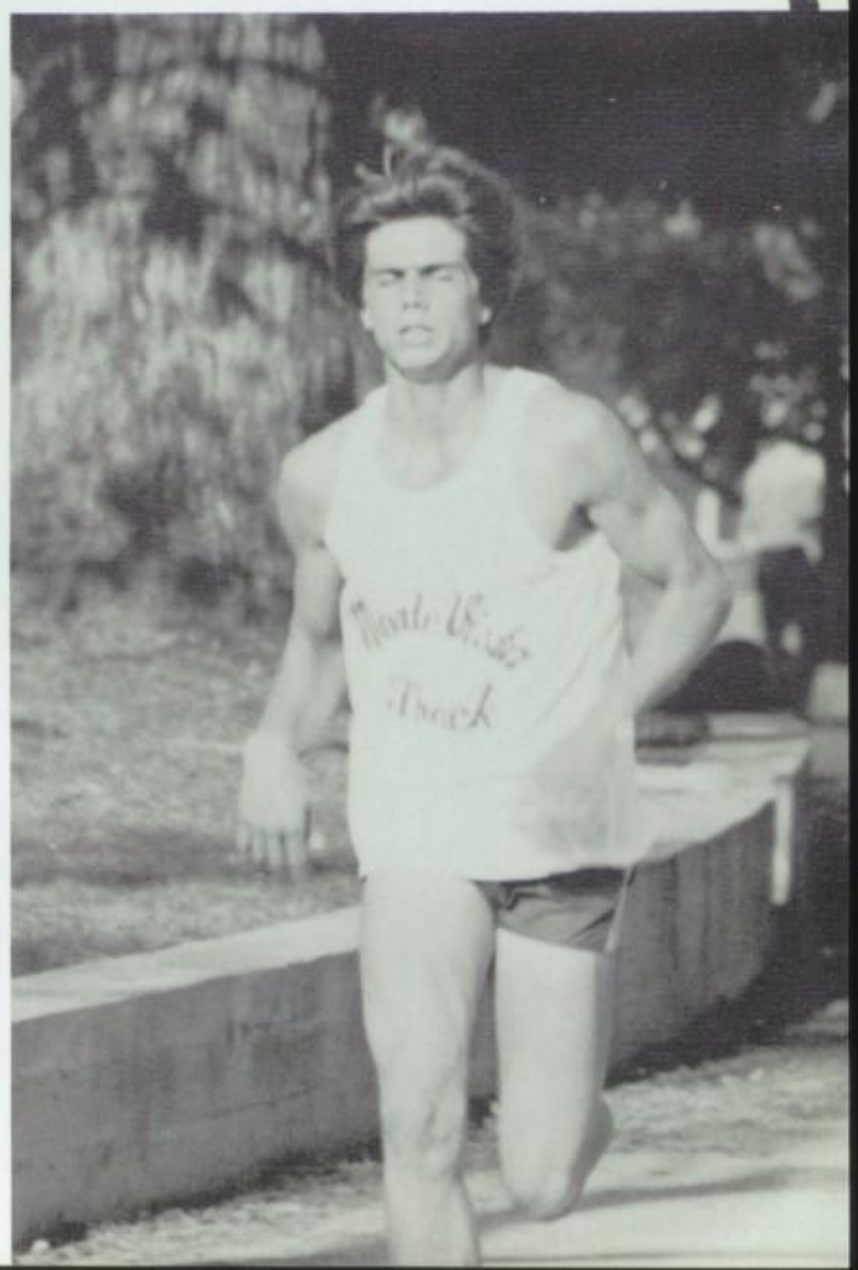
Devin Eckhardt led our team to an 8-3 Dual Meet record. As a senior, he represented our team well by setting two separate course records. He also finished sixth at the League Meet.

Paul Shane shows promising hope to be a strong leader as a senior next year. He performed consistly.

Peter Ray and Mark Kanko were our other strong Varsity runners who will be returning next year.

The team placed second in the League.

Coach Hellenga, E. Wetzel, D. Eckhardt P. Ray, D. Ray, W. Chapman, P. Shane, K. Bloesch, J. Manion, B. Wilson, M. Bergy.



The 1982 Mustang Varsity team did it! They accomplished what no other team has. They qualified for post-season place in the CCS regional playoffs.

Upon the conclusion of the regular season the Mustangs posted an impressive 9-3 league record and a second place finish behind undefeated Valley Christian. Five Mustangs were selected to the "All-League" Teams. Suzanne Kehoe (hitter), Theresa Kueneman (setter), and Teri Sargent (utility), were awarded 1st team honor. Freya Mermis (setter) was voted 2nd team and Toni Peverini (hitter) was selected as honorable mention.

Suzanne Kehoe was voted most valuable player and Maureen Ridgway was most improved Mustang.

If the intention of the Junior Varsity program is to gain playing experience in preparation for the varsity level, then the Mustangs should remain strong contenders in the years to come.

This year's J.V. team again finished at the top of the league. The Mustangs tied with Valley Christian as co-league champions with records of 8 wins and 2 losses.

Make Me New, Lord Jesus was the theme for this year's junior high volleyball team. More than just the basics of volleyball were learned by all. They experienced what give an take means and how a team has to work together. The girls displayed good sportsmanship throughout the season. They Varsity ended the season by capturning first place in the Quad County League Tournament. Their regular season record was 6-2. The J.V. worked hard all season showing super improvement at the end by winning 3 in a row. Their final record was 4-3. A enjoyable season of volleyball was had by all.

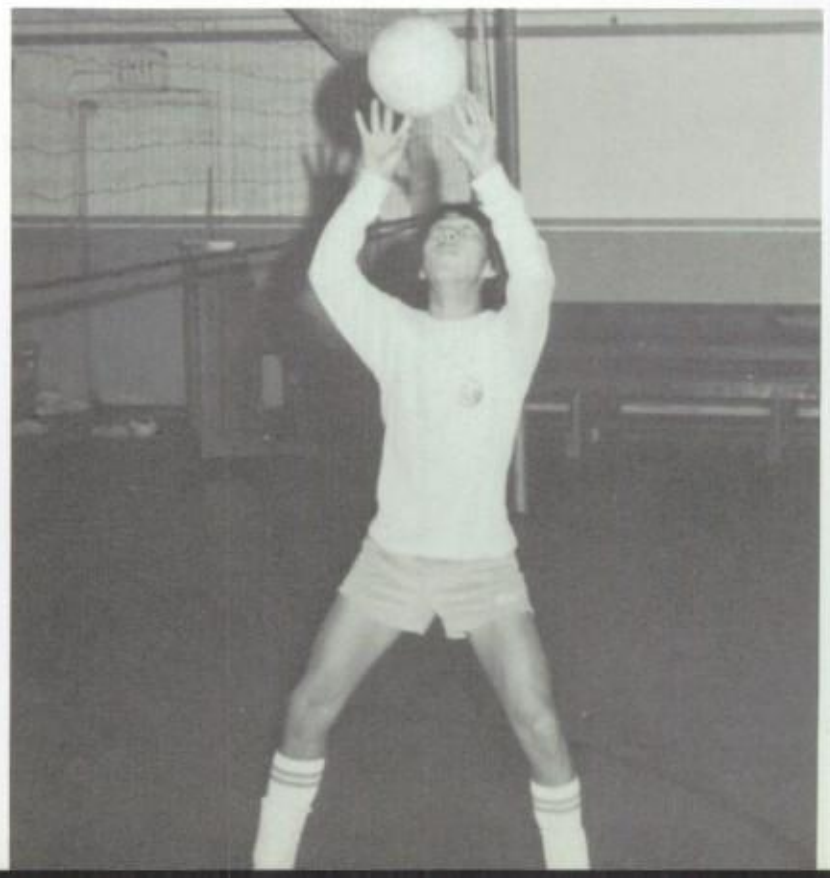
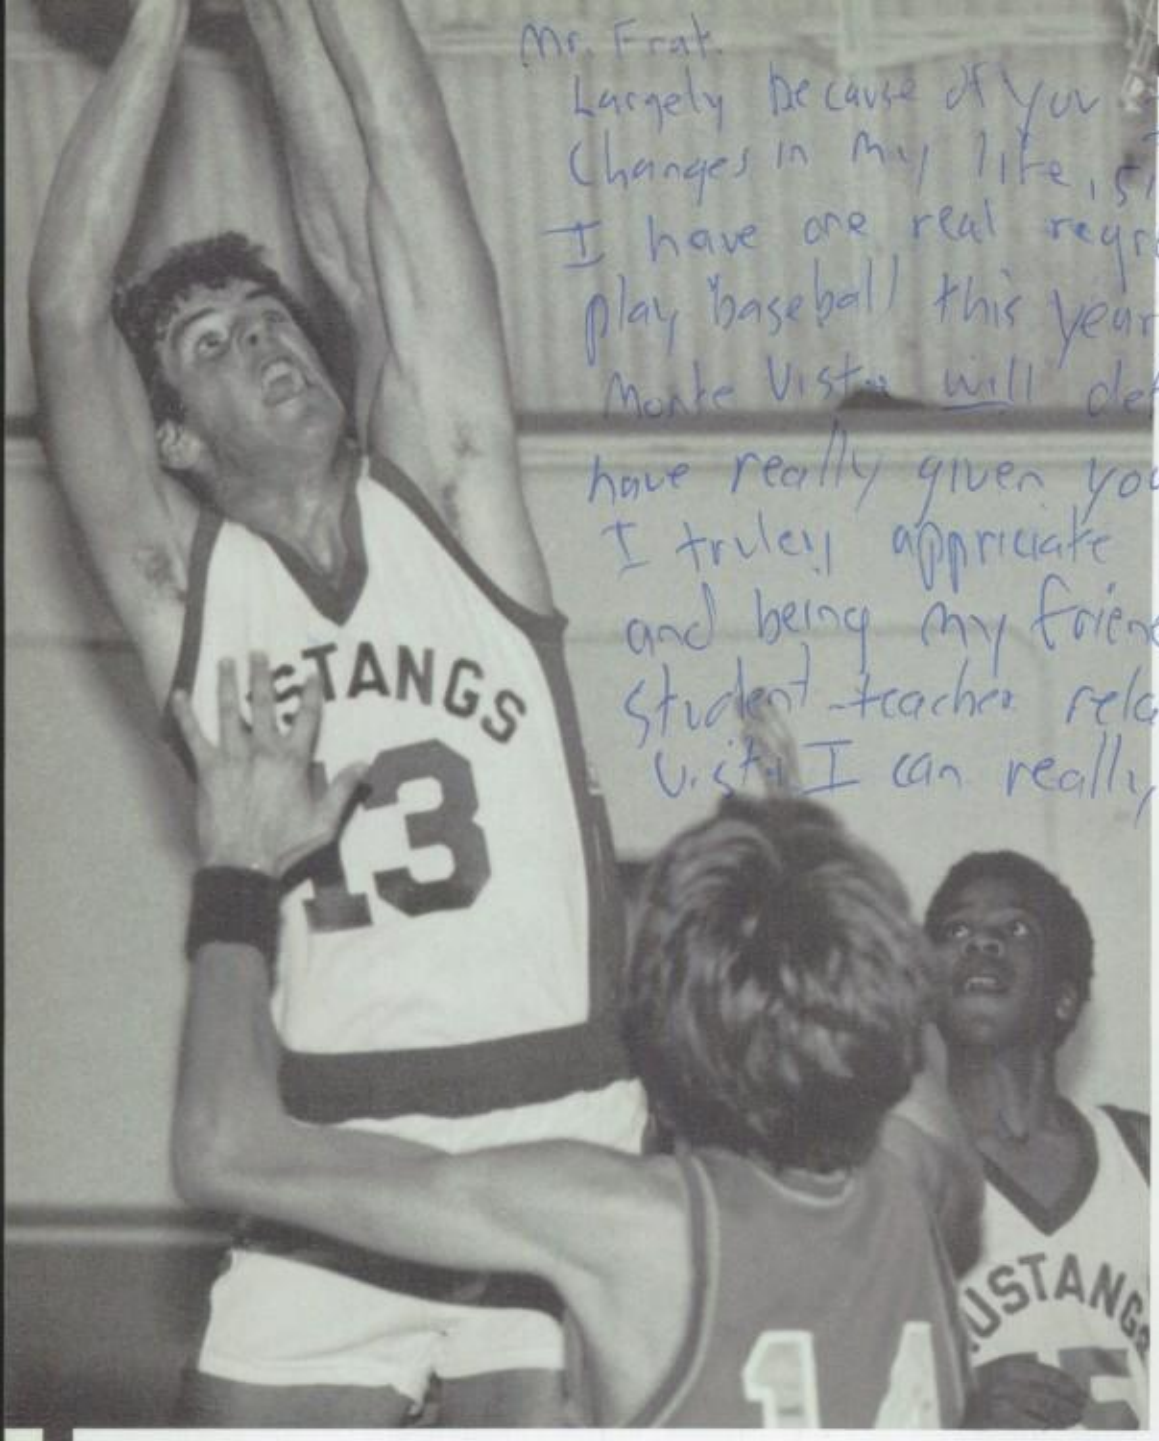
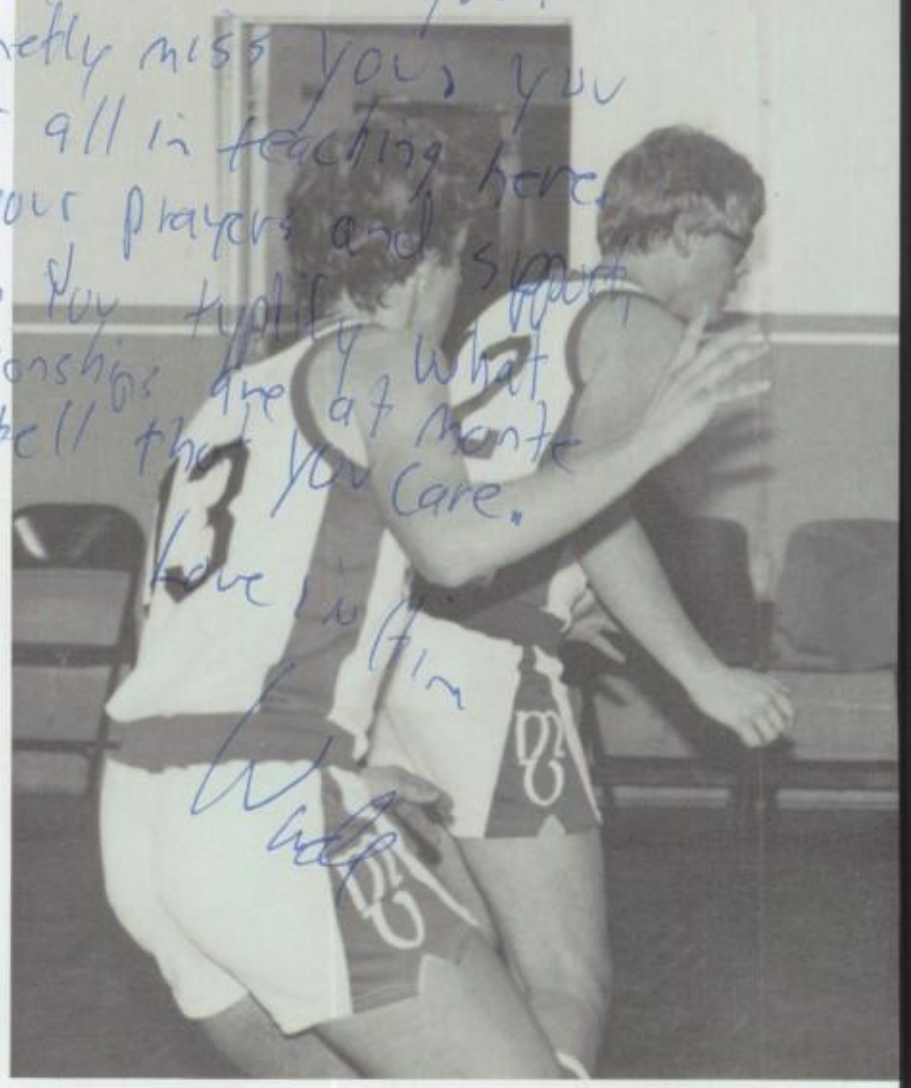
MV witnessed the birth of the first Boys' VB League in this area this year. MV, Valley, Liberty, Redwood, and Fremont all competed in a Double Round Robin tourney. The boys showed remarkable talent considering they all started on the same level. We're looking forward to the development of this sport in years to come.





Mr. Frat.
Largely because of you. I
Changes in my life, since my Sophomore year.
I have one real regret and that is that I didn't
play baseball this year for and under you.
Monte Vista will definetly miss you, you
have really given your all in teaching here.
I truley appriciate your prayers and support
and being my friend. Our student-teacher relationship the I what
visit I can really tell that you care.
Love in Him



This year's team posted Monte Vista's best Varsity Basketball record in the past six years. Led by the three returning seniors Wade, Eric M. and Tim, the team's poise enabled them to pull out some key wins down the stretch toward the League Tournament. Perhaps we can point to the highlight of the season in this way; sweeping the Berean squad in two neck-to-neck squeakers. Vast improvements were personified by: Tony Gibbons who gained confidence steadily, particularly in his rebounding; both Erics in their ball handling and scoring ability; and Tim's emotional and physical stability. Our group this year lacked some depth but made ur for it in their ceaseless hustle on the court.

JV

This year's JV team included eight freshmen, with four of them starting most of the games. The team still posted an impressive 11-5 overall record. We finished third in the League and averaged over 50 points a game. Byron Bobo led in scoring average with 15 ppg, followed by Greg Hand, Brian King, Wes Chapman and Greg Ivanovich.

A thrilling highlight from the season was a double overtime 56-54 victory over Baymonte. At one point during the season, we had won five games in a row at home.

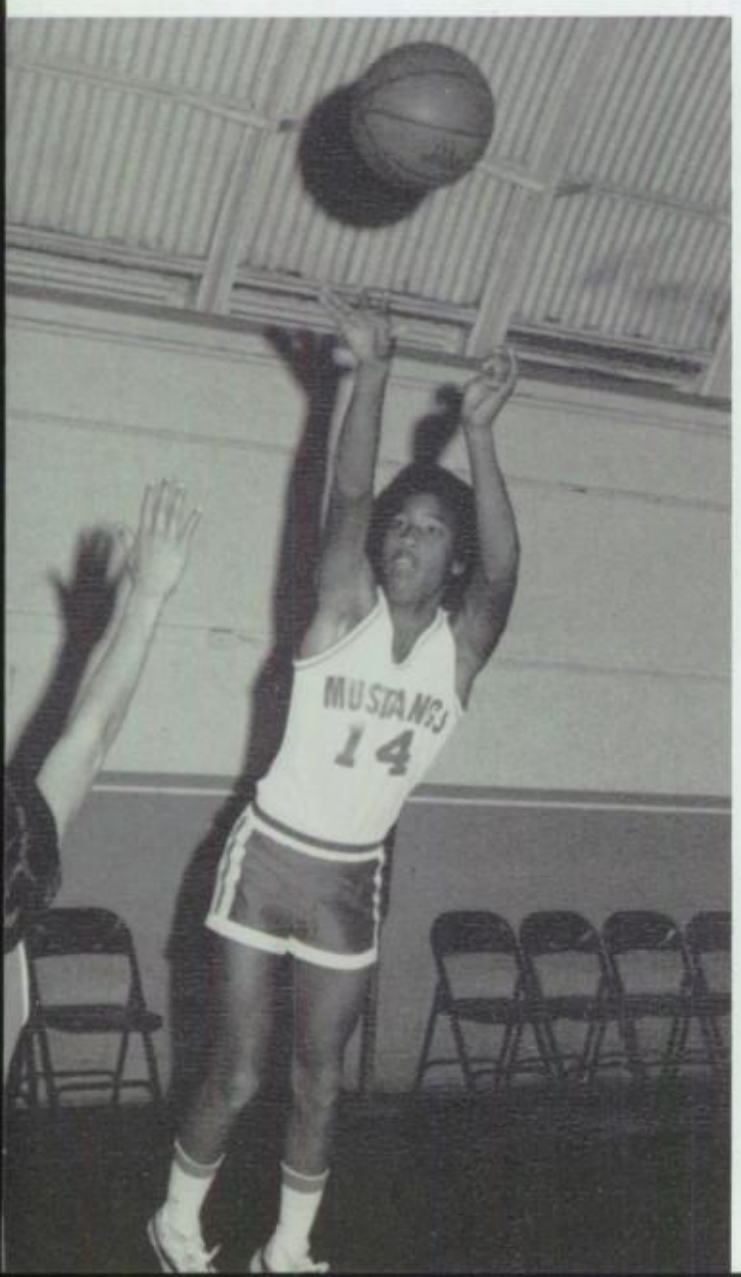
B Team Coach Cochran, Joe Tait, Steve Vanni, Jess Contreras, Jack Gibson, Greg Potter, Chris Penner, Brian Hall, Steve Erickson, Danny Hand, and Scott Stout.

The Junior High B team showed a lot of spirit and hustle throughout the year. After a very slow and discouraging start, the B boys showed great improvement with each game. The A team showed much potential at first, with big wins over Notre Dame and Salsipuedes and look forward to "putting it all together" in the post-season tournament.



A Team Row 1- Allen Quigley, Todd Westfall,
Row 2- Coach Cochran, Mike Paradise, Elgin Bobo, Ken King, Shonn Montalvo, Chris Storey.

This year's team was led by Co-Captains Suzanne Kehoe and Toni Peverini. They averaged nine and eight points respectively. The team started out "young" with almost half the squad playing basketball for the first time. As the season progressed, however, teamwork was enhanced and confidence was gained. We praise God for the opportunity to have fellowship and to compete. We give Him the glory for the growth accomplished through the losses and the joy accompanying the victories.

Mr. Frat.
Sorry to hear your leaving but I sure hope I can call on you to help me on my Spanish II homework, thats if your still in town. I always thought the ball was supposed to be in front of me not in back →
But I'm better off than these guys.

MUSTANGS

Learning the fundamentals of basketball was the concentration of the Junior High Girls' Basketball team. The "A" team had a record of 5-1 going into the last week of play. Coming from behind to beat San Jaun by one point was exciting for the team and a heart-stopper for the coach. Sandy Spence led the scoring for the "A" team. The "B" team showed tremendous improvement throughout the season. Their record doesn't tell of the many games they played hard and well where the ball just wouldn't go through the hoop!! Dolores Lopez led the scoring attack for the "B" team.

Row 1- "B" Team- Angelica Martinez, Mary Corley, Dolores Lopez, Annie Erickson, Lisa Lindvall, Michelle Lazo. Row 2- "A" Team- Coach Ebels, Liz Johnston, Maureen Kueneman, Amy Forth, Rosemary Contreras, Kendra Foley, Sandy Spence, Tammy Lathrop, Julie Jarboe. Missing: Pauline Henry, Michelle Axie, Heather Price.

This year our team is one of the youngest ever at M.V. We have seven freshmen, three sophomores this year. They have brought new enthusiasm, and the desire to win right along with them. Being a young team, we will continue to make mistakes, but playing together will also give us the necessary experience that will start to win baseball games. Our players are so active and it is a pleasure to funnel this energy into productive and enjoyable results. Monte Vista will win some games and we probably will surprise some teams who do not give us any chance of winning.

Mr. Frost - I have really enjoyed you and learning around. Even though I didn't have a class with you I did, I felt very good about and very close to you. We could have become closer and I could have had a class with you. But I hope you will never forget me. I will never forget you. You were truly a blessing. I love you very much and thank God for you!

Mr. Frost,
I think you are a real good teacher and a great coach. I learned a lot of things this year. Have a good summer. See ya next year.

The Varsity Girl's Softball was again a most successful team this year. With the weather a problem throughout the season, and the team adjusting to a new coach, we'd have to say they did a standout job. The team led by Seniors Suzanne Kehoe, Toni Peverini and Robin Smick was eager, talented and aggressive. With their vast experience, it gave our team much needed depth. One of the best surprises was the great addition of Marguerite Horn, only a freshman. The infield unit worked like a sponge and the outfield collected flies like a garbage can. It truly was a great year and next year will be better.

Our men and women in the field once again continued the tradition of Track at M.V. The three Co-Captains who were Mark August, Kathy Bloesch, and Tim McCandless, along with the rest of the team did their best in every Meet.
Scott Penner was our strong sprinter, Bill White threw our discus, Paul Shane was outstanding at the distance running, Anne Howard was an excellent mid-distance runner and Derek Skaggs was our pole-vaulter. We had a lot of freshmen and sophomores this year who will carry on strongly the next couple of years. The climax of the season was our final League Meet in May.

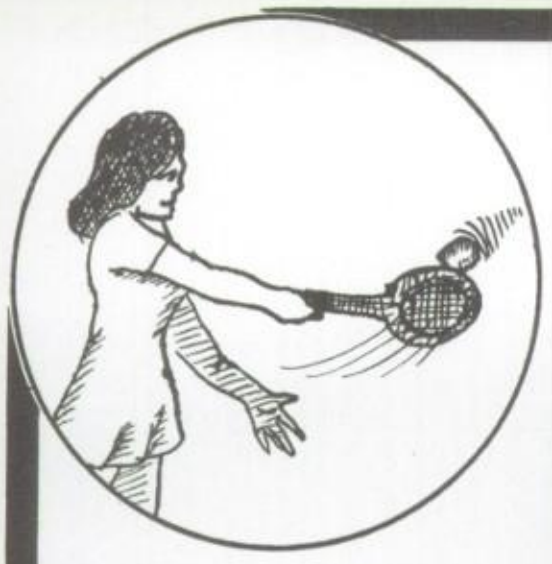
This year's Swimming Team was unable to decide whether there was more water inside or outside of the pool due to the daily deluges. There were twenty-one mermaids and mermen (not counting their merdog!). Our stupendous swimmers competed in eight Dual Meets against schools such as Carmel and Aptos, as well as two major Invitationals. We can be justly proud of our Monte Vista "Sea Mustangs" as they always provide considerable competition for much larger public high schools.



M.V.C. Tennis is blessed with a variety of talent, personality and ethnic background. Four countries were represented and all four grades as well as ten very competitive young men made up our 1983 team.

Bolstered by returning lettermen Wade Watson, Jaime Ospina and Richard Moreno, the team posted a 6-win, 2-loss record. Players who won matches in singles were Wade Watson, Casey Johnson, Jaime Ospina, Richard Moreno, and Will Lau. Wade was undefeated throughout the season and fared well at the C.C.S. Tournament. Congrats!

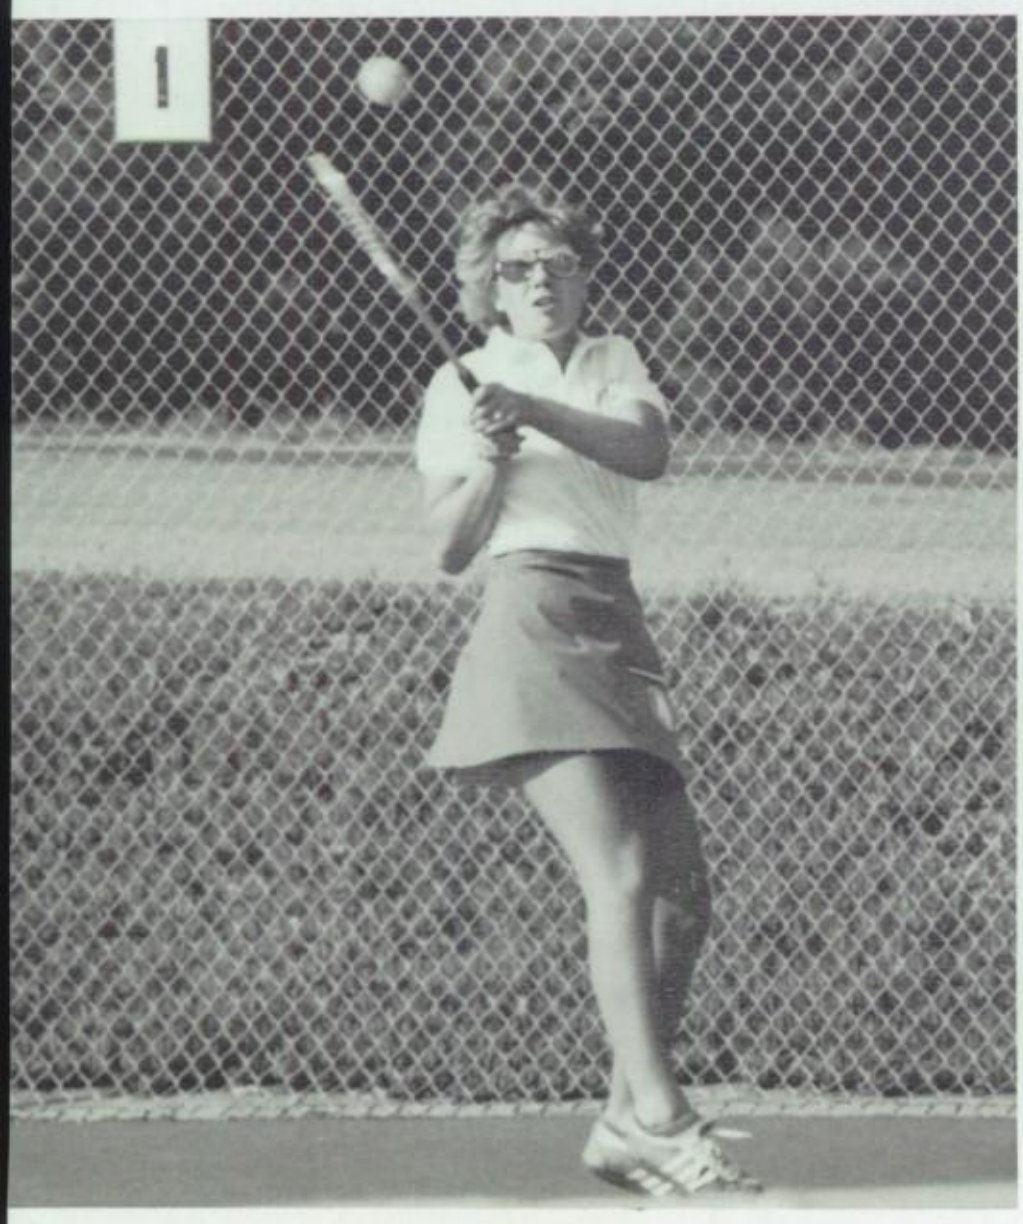
GIRLS



For the first time in many years Monte Vista competed in CSAL girls tennis and were by far the surprise of the league. The Mustangs were led by Jane Nighswonger and Wendy Wessels. Wendy finished undefeated in league play and Jane made it to the finals of the league tounament. Other excellent performances were put in by captain Heidi Watson and freshman Tiffany Eyre. But as a whole the girls gave 110% and really had a winning spirit.

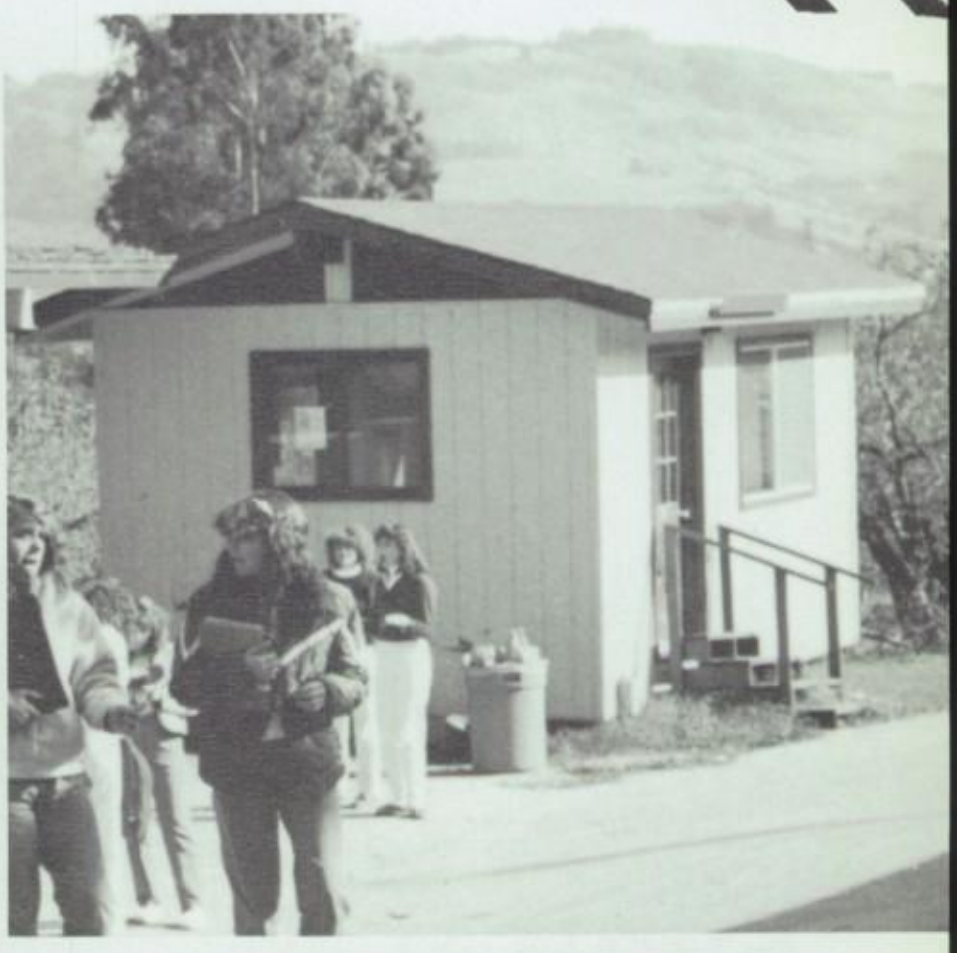
ORGANIZATIONS

Student Council Takes Charge

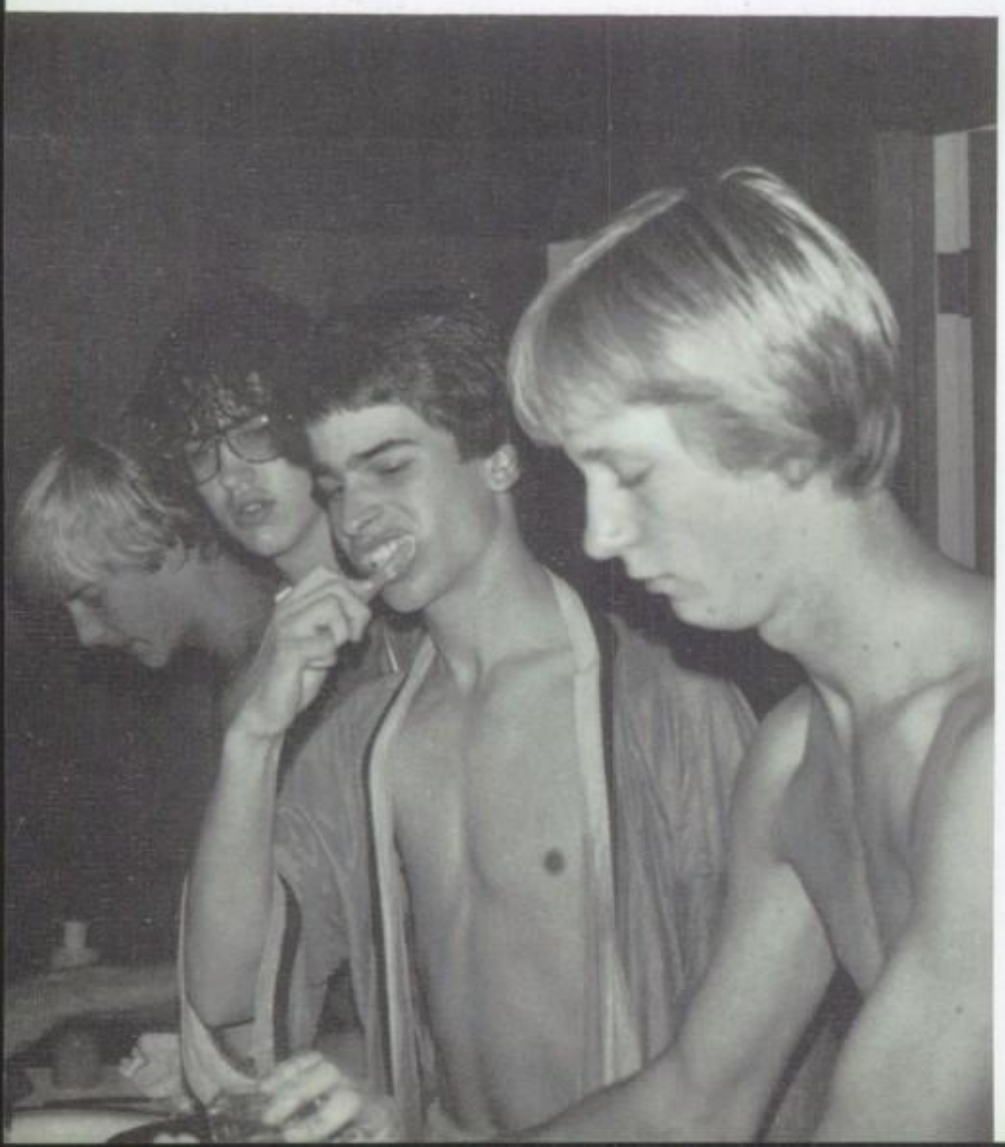
Being a student leader means a lot more than just attending a school function or speaking in a microphone every now and then. It takes time, energy, and true devotion. More importantly, it takes the servantile attitude and the diligence of Christ!

Student Council has been actively involved this year in planning banquets, fundraisers, lunchtime activities, leading in chapel services, and cleaning the campus. It has been exciting to take part in the progressive building of school spirit, and to see the very positive results! Isn't that what it's all about? Taking part! Knowing that perhaps in the littlest way you've enhanced something, or better yet, someone!



R.1 Mark Kanko, ASB Treasurer; Maureen Ridgway, ASB Secretary; Heidi Watson, ASB Vice-President; Gary Plott, ASB President; David Graham, Advisor; R.2 Freya Mermis, Freshman President; Joni Shipp, Sophomore President; Jon Oakes, Junior President; Sylvia Acosta,Head Cheerleader; Wade Watson, Senior President; Bob Dinsmore, Student Chaplain; R.3 Gary Taylor Technical Director; Dave Hixson, Public Relations; Laureen Roach, Social Chairman; Brad Bauer; Artist in Residence.

STUCO RETREAT



This year's annual ACSI Student Leadership Conference at Mt. Hermon was a highly successful event. Monte Vista representatives consisted of fourteen excellent student leaders and two adult advisors. While having an enjoyable and very school-spirited time, they learned several spiritual and social truths which could be applied to the Monte Vista atmosphere, in order to make it a more enhanced place. Most importantly, they gained a special sense of unity.

OUR TRIPS TO THE FIELD

Many clubs and classes take field trips during the year. Due to deadlines, we can only picture the Fall Honor Roll trip to Stanford and the Government Classes trip to our capital city. As you can see, there's always lots to see and time to snooze. Physics, Biology, Sociology, English, Field Ecology, Yearbook, Spanish and other classes also get away during the year.

Every year more than a hundred boys and girls from all over the U.S. and other exotic parts of the world, come to Monte Vista.

These are not ordinary students, these are "Boarding" students. They arrive the first week of September and begin moving into the dorms where they will co-exist for most of the next nine months.

Once they are moved in and school has started, they become not only students, but part of a family. They are "adopted" into families of faculty and are given chores much like at home. Boarders are responsible for their rooms and such things as washing dishes, or helping the kitchen crew.

Although boarding students are unique in many ways, they are still human.

Leadership, Scholarship, Service, Character The Monte Vista Chapter of the National Honor Society had a pretty good time while trying to display these qualities this year. Advised by Miss Dunlap and Mr. Wilcox, Honor Society met as an actual club, and had a Chinese dinner, Thanksgiving dinner, and other get-togethers. The main function of the society was ushering in new members with a special ceremony. We hope N.H.S. will continue as a traditionally distinguished high school organization.

Vivacious Vocalizing

Choir has always been an important part of the Monte Vista tradition. It offers an opportunity for students to come together for the common purpose of glorifying our God through vocal music. It is also a good chance for people to practice working together harmoniously and peaceably.

This year, under the excellent leadership of the music director, Marc Ferguson, the 60 voice choir has ministered to, and touched the lives of many.

All The World's A Stage

The drama class this year met 7th period with 14 talented people. We began with dramatic skills and acting class, and then were involved in skits and small plays performed during Sunday night chapel. Our class has been great fun and we have all grown more toward Jesus Christ by presenting plays which witness and share the gospel. ----David Graham

Another distinctive feature that we have here at Monte Vista is our very own Computer Science Club. In this facet of education, students learn the basics of the computer world. (Which button is "on" etc.) They also learn basic programming and begin to invent their own.

There are pre-programmed discs that you can put in and have your own video game right at your fingertips. This occupies much of the free time of students involved.

Computer Science is a relatively new field to Monte Vista and is already very popular.

SCIENCE CLUB EXPLODES

Left to Right Bob Dinsmore, Stefan Dykgraaf, Miss Dunlap, Charlez Braden, Sean Stewart.

This year one of the newest clubs formed was the Science Club. This is open to anyone interested in just about any area of science. The main activity that involves the Science Club participants is preparing a project for the Science Fair, in which our club competes with the other Christian schools in this area. Each student is responsible for entering one project in the Fair.

The Science Club consists of approximately one-half dozen students under the capable leadership of Marsha Dunlap.

CHECK!

A brand new club for a very old game. A game formerly thought of as for intellectuals only, is now for everybody. In this age of Atari and Intellivision there is still room for brain-games. With several tournaments behind us, we are looking forward to next year, and, by the way...CHECKMATE!

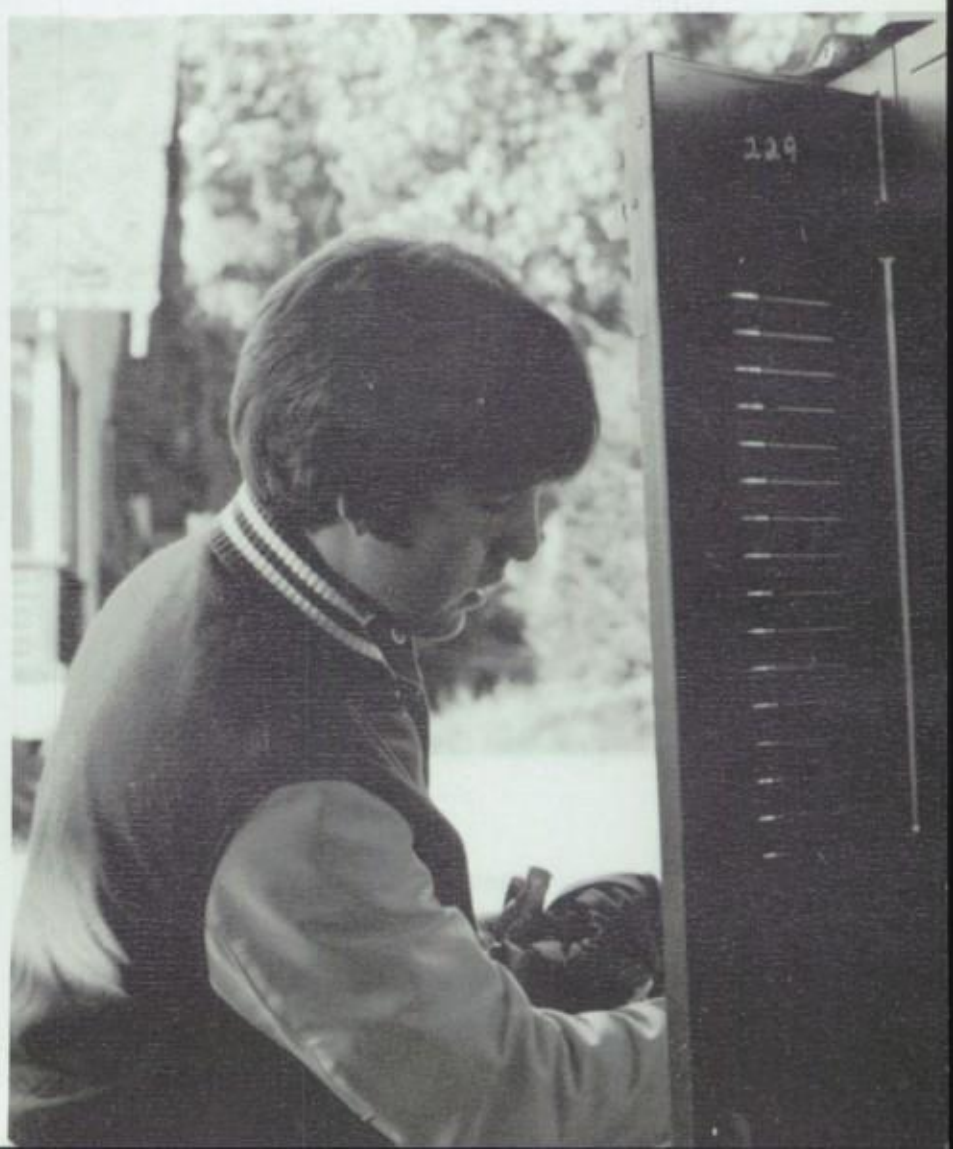
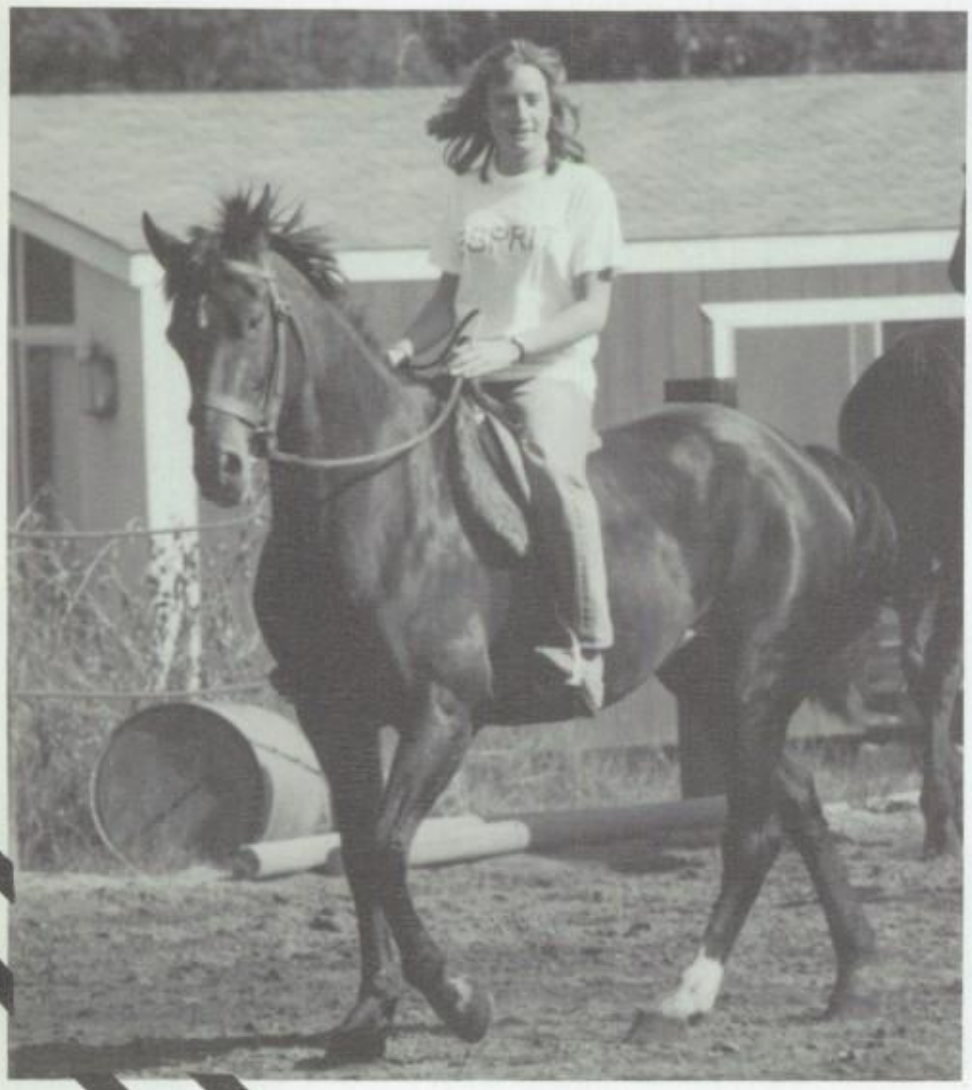
VARSITY CLUB





Howdy Cowboys and Cowgirls! Saddle up and get ready to read. This here program teaches the fundamentals of the western style of riding with each student having an in-depth study of position, balance and basic seat. The riders learn about stock routines, reining and cattle work. Offered is a two-year program to prepare students for their instructor's certificates. We involve sensitive communication, control and harmony between horse and rider. This year we had six college students from Hartnell in our program. The program was featured on channels 8, 46, and 11. Two shows and six clinics were also held. Well, Happy Trails!! ("Giddy-up")

IN GOD WE TRUST

Trust Club is an inspiring organization headed by Bob Dinsmore. During lunch hour on Tuesdays and Thursdays and after school on Friday, students met in the chapel to sing and pray and relate the Bible to their life situations.

SPECIAL EVENTS

O Holiday Night

The MV Christmas Banquet was held at the renowned Holiday Inn of Monterey this year. While we enjoyed the beautiful ocean view and the great buffet, we were entertained and ministered to by the contemporary band "Face to Face". Afterwards, we highlighted the evening at Edgewater Packing Company on Cannery Row.

Springing Into Another Banquet

Our Second Annual Spring Banquet found us again gorging ourselves with Cocoanut Grove delicacies. Over 150 beautifully attired young people enjoyed the buffet dinner, the fellowship with friends and the very talented group "Masterworks." Toni Peverini and Devin Eckhardt, and Mr. and Mrs. Biehl were voted 1983 Sweethearts.

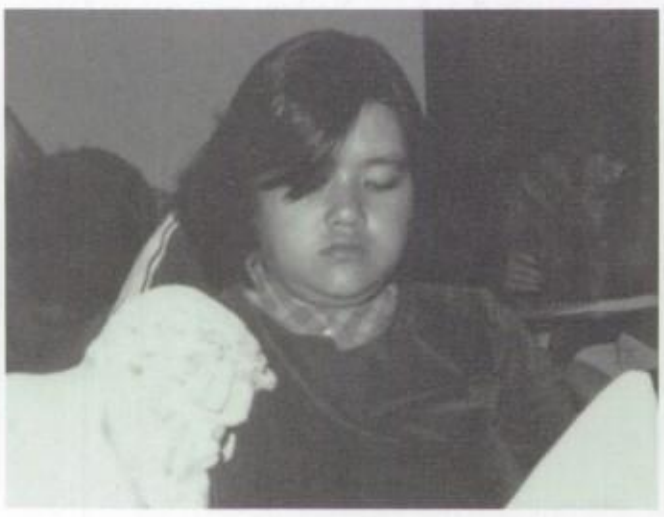
"I dislike being told what to do." Victor Tsang



"Freedom is so important to me; I'm so sure!" Cecelia Mar

"Set yourself rules and live by them." Jaime Ospina

"I don't like Study Hall...Study Hall is no good." Michael Chung

"Learning to speak English is hard, but important." Tatsuya "Bonzai" Matsuzawa
"In America there's more to enjoy." Takanori Seki

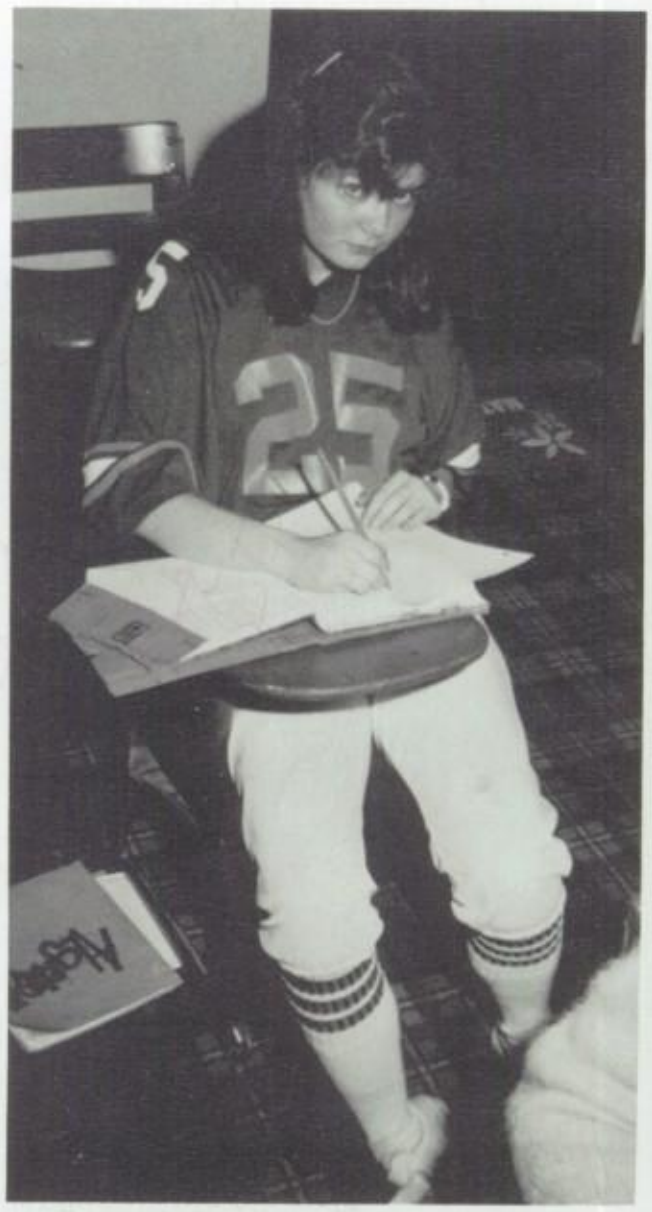
"My favorite things are fishing, fighting and playing pool." E. Ode

"What's your problem?" Queendy Shum's favorite phrase.

"Everything is sweeter when shared with a friend." Jenly Joa

"America is totally awesome and except for a select few, everyone is nice here." Ray Risco

"It's important to be as nice and good as you can." Emily Yu
"I like all people in every country." Eri Seki



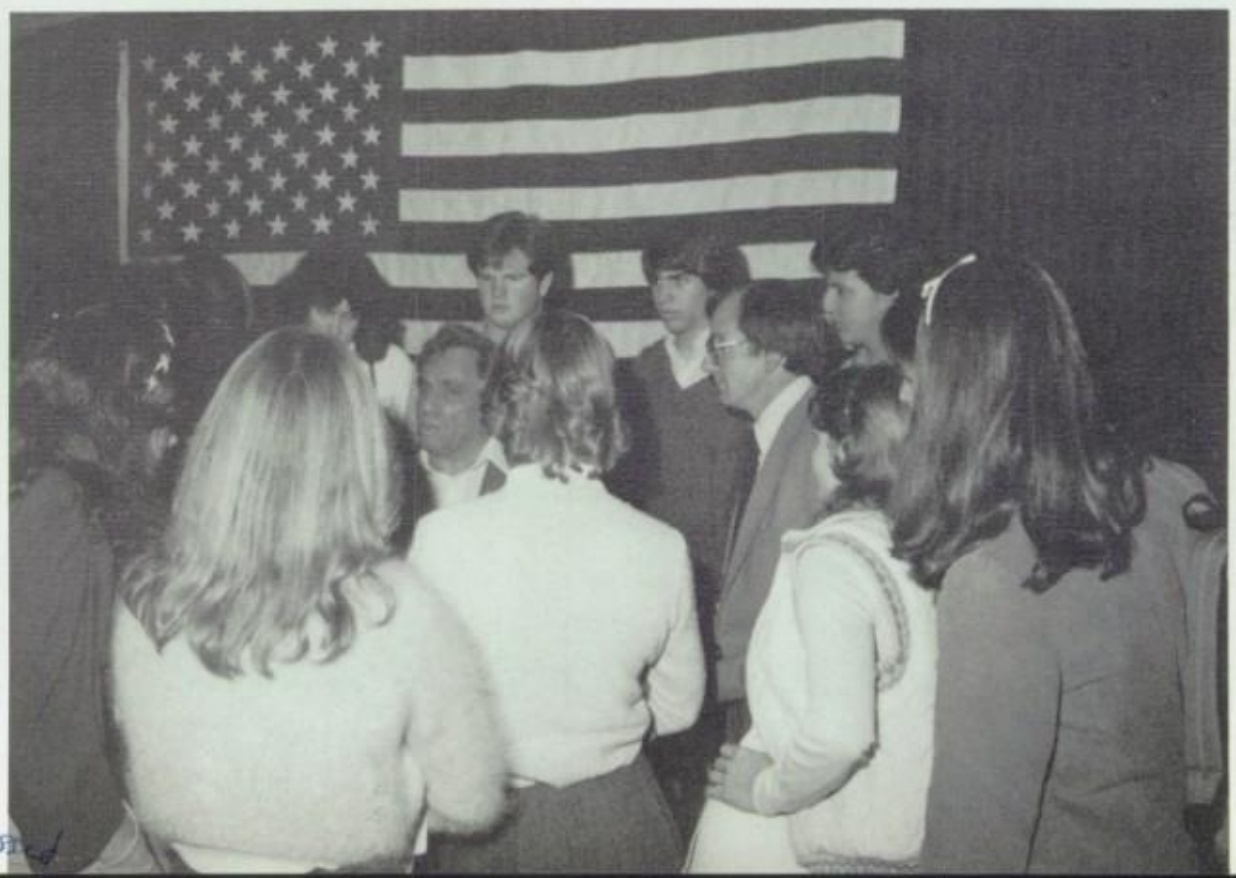
Our umpteenth annual Spirit Week again preceded our Spring Banquet. Wednesday was "Sports Day;" Thursday was "Clash Day;" and Friday was "Dress Up Day." We crowned the beautiful Debbie Bilyeu (center below) 1983's Spirit Queen. Her striking court included Suzanne Kehoe, Heidi Watson, Lisa Kahmann, Joni Shipp and Sheri Watson. (Pictured l.to r.)

THE WEEK OF CROWNING SPIRIT

Mr. Frat.
The year I had you was a fun one and I'm going to miss you when you leave. Please come back

Everyone involved with Monte Vista at all knows that we have Chapel twice a week. Most of the time they are very interesting but once in a while we get someone really special to speak. We had Spiritual Emphasis Week Jan. 24-28 with Mr. Guynn, Mr. Bosworth (pictured left) and Mr. Graham the speakers. We also were able to hear Mr. Leon Panetta (pictured bottom left), our Congressman, speak about the life of a politician in Washington D.C. Then a very memorable speaker was Mr. Josef Ioffe (pictured bottom right) who was a professor in Russia. He enlightened us to the difference between "Russians" and "Soviets." He was GREAT!!

TOP-NOTCH CHAPELS



& visit us. I only have one more year, the least you could have done would be to stay here 'till I graduate. You're a swell guy anyway - I love you lots, Heidi your shy, embarrassed student!

TEN YEARS FROM NOW,

Tim McCandless will be an NBA Superstar. Not only a basketball player, but a reformer. His new technique will revolutionize the sport. He will be famous for such things as the "60 foot Jump Shot" and the "Elbow Slam-Dunk." He will play for 6 years on various teams. Each year his team will win the Championship, and he will be named M.V.P. of the League. After 6 years, he will be ejected from the league on the grounds that he "presents an unfair advantage" for his team. He will sue the league for 5.3 million dollars and retire happily in a colonial mansion in Montana.

Bill White will have risen to the rank of Captain in the U.S. Marine Corps. Bill will be stationed somewhere in Europe and will be in charge of a secret group of commandos. Bill won't be married because the life he lives will forbid it. I believe Bill, before he grows up and joins the Marines, will have been involved in a cult composed of red-haired, Irish Marines who celebrate New Year's Eve three times each week.

Fulfilling her dreams to be a scientist, Karen Hart went off to college to study Biological Astrophysics. She soon flunked out and transferred to Volleyball, eventually becoming a professional volleyball player. She won the World Championship Game is Austria with a smashing spike. In this final great effort, she broke her leg in 23 places, thus ending her brilliant career. Everything worked out though because she fell in love with the doctor and got married. (They had six kids--their own volleyball team!!)

We see Sherri Nelson auditioning for the Dallas Cowboys Cheerleading Squad. Because this Association is so respectable, they conduct many investigations of your lifestyle. Sherri was rejected when they found out that she had previously been involved in a state-wide mud-wrestling competition. Due to her deep depression from rejection, she immediately began excessive eating and gained 200 pounds! In ten years, my friend will be the best Belly-Bouncer in the state of California.

Daniele Rich will be married to a physical therapist named Rob. They will have a daughter named Kristin (named after the best friend she's ever had). She will have graduated from Cal Poly with a major in Business Administration. Since both of them will be making "mega-bucks" she will probably be living in a 100-room mansion. She and Rob will drive "His & Hers" Mercedes and fly to visit me in their own Lear Jet. She will own both Rossignol Ski Co. and Hawaii, but will soon find out that Hawaii is not the best place for skiing.

Kris Isherwood will have graduated from Pepperdine with her major in Education. She will be the "star" of the first Women's Professional Soccer League, while holding down a job as a sixth-grade teacher. After her multi-career has been established, she will marry her one true love, Pelé. Together they will coach the Morgan Hill Matadores. Kris often plays goalie for the team and as a result is chosen MVP, her greatest achievement. Shortly after her launch to stardom, she will be struck down with a rare soccer disease that will leave her completely retarded.

MY FRIEND WILL...

Teri Sargent, after completing high school, was willingly shipped away to Zimbabwe to attend a 6-year graduate program to become a gourmet cook specializing in vegetarian delights. She also plans to minor in Chemistry which involves dissecting human cadavers. In due time she will eventually get her Masters in Gourmet Cooking and she will have finally learned to love cooked carrots. She will work in China Town, San Francisco, as a Szechwan cook. Her future plans include marrying the multi-billionaire owner of E.T.M., Inc. and having many, many children.

Theresa Marie Kueneman will be married to her parole officer and have 9 children, 3 of which will be odd colors. She was arrested at the age of 18 for the assault of her husband. Theresa now has been reformed and is teaching Sunday school at San Quentin Penitentiary to her children and their friends ("Lefty", "Rocky", "Four-Finger Louie", etc.).

Sorena will be a typical "Susie Homemaker" in Columbia Falls, Montana. She'll live in a log cabin in the mountains complete with a live-in maid, microwave, and Atari. She'll be the All-American Mom with at least five drooly monsters running around the house being destructive. She'll be the chairman of the PTA, and the local Girl Scout leader--still on the first step of "roughing it" and making a smooth batter for pine cone pancakes. For a career she'll be a professional shopper and buyer, showing the quickest way to spend a thousand dollars on a wardrobe. She'll make her landmark in this world by setting the record for changing her clothes the most in one day, and wearing socks that don't match.

When Jane Nighswanger graduated from high school, she went on to college at Pepperdine University to major in Law. While at school, she developed a hopeless, incurable crush on the university's Checker Champion, Dwayne Dwops. When Dwayne refused to acknowledge her, she had a mental breakdown where she kept seeing miniatures of Dwayne falling from the sky. The doctors at the State Mental Institution said that she used to sit in her room and moan, "Dwayne Dwops keep falling on my head." After a few years, Jane recovered completely except for the fact that she was 120 lbs. heavier. Because she had a new outlook on life, she decided to go into modeling. The first modeling firm that she tried accepted her right away. It was called "Plump and Pretty, Inc.". Jane met and fell in love with Burpon Up. Burpon asked Jane to marry him and she immediately accepted. When Jane was 27, she gave birth to quadrupelets. Jane now is a momma of four ankle-biters. There is the sickly Chuck Up, lil' Messin' Up, sweet Button Up, and big Grown Up. So is the life of Jane Nighswanger-Up and her big, happy family.

Eric Miyasaka will be a 6-time all-pro nose guard for the San Francisco 49'ers. After graduation from MV, his friends at USC where he attended talked him into trying out for the football team. He did, and the rest can be read about in Sports Illustrated. The most unique thing about Eric's future will be his wife. He marries his high school sweetheart, Teri Sargent, not for her gorgeous looks or her esteeming personality, but because she too is an all-pro football player for the 49'ers. She plays right behind Eric at middle linebacker.

Wade Watson, with the help of an old college buddy who believes in him, will reach the most prestigious position the U.S.A. has to offer--the presidency. During his first term, Wade will have turned our failing economy completely around to make us one of the richest nations around. During his second term, Wade will have brought Russia to her knees by deploying the new MX missile in the old Reagan missile deployment system dense pack. He will have also brought a new first lady into the White House--Ilona Nemeth, an old high school sweetheart. After his second term, Wade and Ilona will retire and live off of his pension plan for the rest of their days.

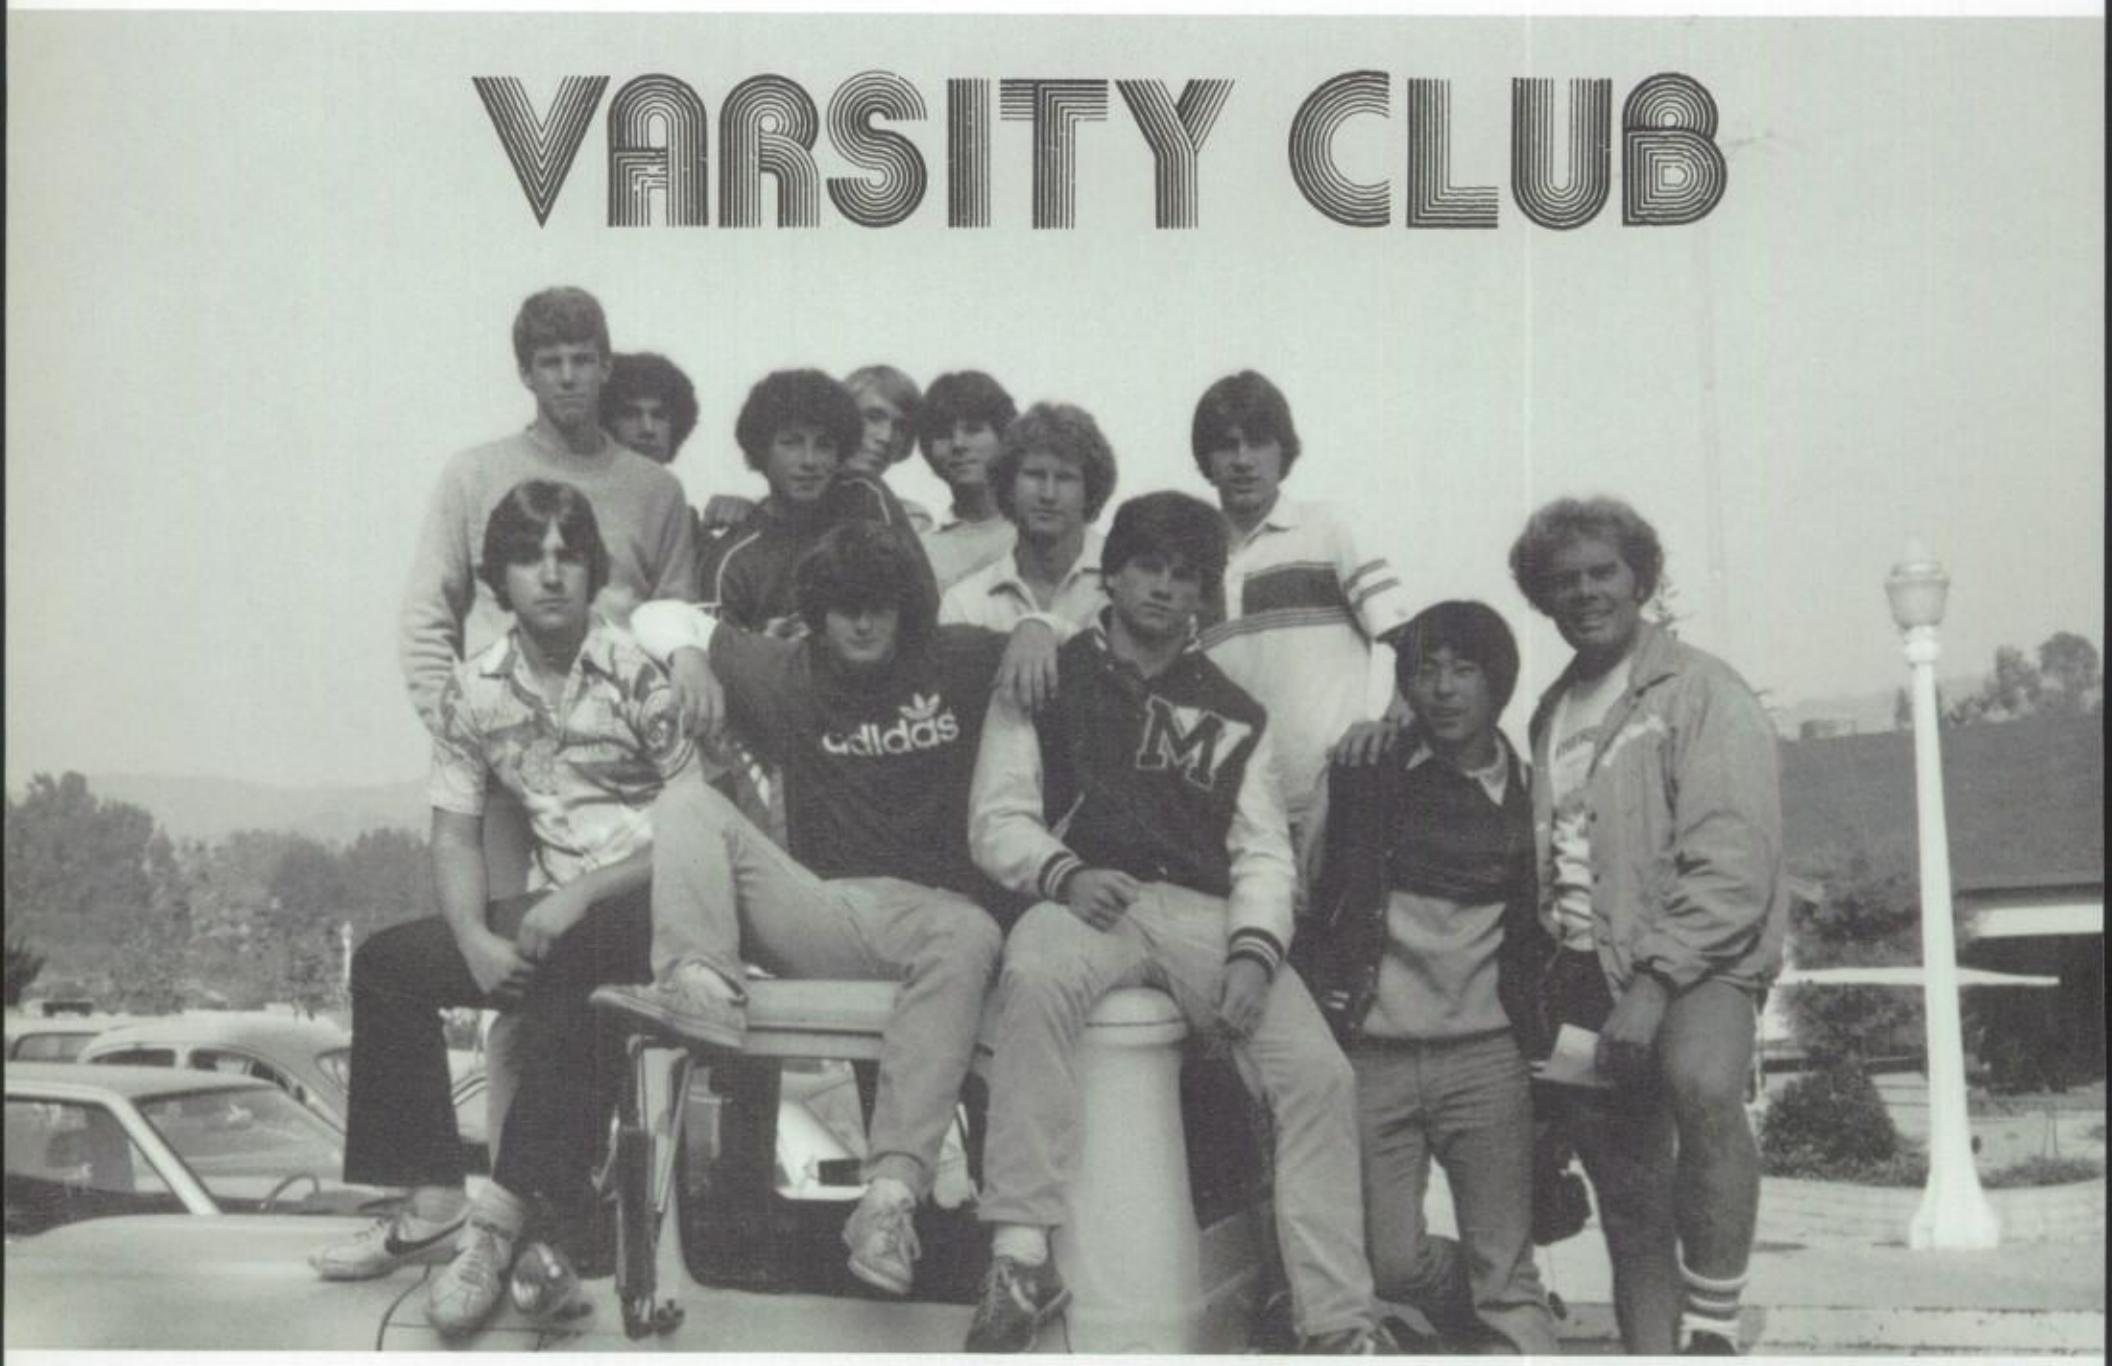
WINNER OF OUR FIRST ANNUAL *RAFFLE PAGE



As sponsor of the Monte Vista Varsity Club, I would like to introduce all of you to a very unique group of young men. The Varsity Club is made up of Varsity Lettermen...athletes who are selected because of their desire to work and support the Athletic Program and also have a little fun. Many of you readers have helped the Varsity Club, and to you all, we are truly grateful for without you, we could not be!

As sponsor, I would like to thank all the past groups and especially this year's group for all of their work and dedication in their support of Monte Vista and its programs. THANK YOU!!

--Coach Lyons

Varsity Club Projects

In the last eight years the Varsity Club Projects have been:

1976 Basketball Scoreboard

1977 Boy's Basketball Uniforms

1978 Choir Speakers and Softball Uniforms

1979 Boy's Dorm Jacuzzi

1980 Baseball Uniforms and Boy's Basketball Warm-Ups

1981 Girl's Basketball Warm-Ups, Softball Uniforms and a Library Gift

1982 Boy's Basketball Uniforms

1983 Library Gift and Volleyball Warm-Ups

* This page was "raffled" off as a Yearbook fundraiser. The Varsity Club won the draw. Mrs. Esther Reiswig was second and won a free Yearbook. Thank you everyone!

MISSING PERSONS

The following people, due to circumstances beyond their control, were unable to have their spirits captured on Kodak and placed in their respective class section. We were, however, able to track them down with our faithful bloodhounds and place their picture on this very special page.

Dear Mr. Fraticelli,
I will miss you of mucho. Take care of yourself + family. I know you're in Gods hands, at Rancho Grande or lunches. Thanks for all the rainy days. And for the experience in Yearbook. I've learned a lot from you. Aren't these kids great!!! Almost 4,000 books! Well, it's off to see you again on earth, or in heaven.
Love in Christ always,
Candy Carter

Mr. Frat -
I wish you weren't leaving. I was hoping to have you for Bibel next year. Well, you take care. It's been a great year and your class was the best! Take very good care of yourself.
Love,
Therese Guest

To Mr. Fraticelli.
I will miss you and Have a great Summer
a lot but God has us come and visit
found better thing some time during
for you and that's season. Thanks
cool! Stay cool and for everything
keep in touch. We ought Love your best
to go see those Giants student.

Mike Bachman!
(Giants #1)

Mr. Frat,
Even though I may not
act like it sometimes
I really like your class
I am going to miss
having you teaching
us next year. Thanks
for making school
interesting and fun.
Have a great summer.
Love,
Amanda Eubanks
(Stoltzfus)

Mr. Frat.
You are a good teacher
and I had a good time
in your class. I'm not
sure if you will like
me or not!) Good luck
next year! I will miss
you!!
Have fun
this summer
Love,
Emma

To a cool teacher even though
he likes to yell at me and pull
my hair but I let all that slide
but don't let it happen again, I
know your going to yell but I was
only joking. I got used to taking
my F's with a smile.
Fratt even though
I didn't do as hot in your
class I enjoyed watching
Raffie get elected Pres.

Mr. Frat.

I enjoyed being in your class very much even though you expelled some of your anger on my innocent self. You have been one of my most favorite teachers and I will miss your smiling face and balding head that I saw everyday. Please come to my grad. party. I hope you're happy wherever you go and you know where I live so keep me in touch please. Stay out of trouble.

Love your
favorite student.

Mr. Frat.
Sorry you leaving Monte Vista but at least you'll still be going to Live Valley for a while. I wish you luck as a pitcher in the upcoming baseball season.
your friend,
Tyler Ofgang

Mr. Frat,
Although I only ended the year with a "C" I still enjoyed this year. I'm sorry to hear you're not coming back next year. Keep in touch with the school
Wes Chapman

Mr. Frat.
I'm sure glad that I got a chance to be in your Bible class, it's been a blast. I hope you will never forget me. You have been the greatest teacher I've had. Best of luck
Stay Sweet.
Love Always
Robin

Mr. Frat., Thank you, I finally got through Spanish. It was a fun year especially when you were in a good mood. Good Luck with whatever your going onto in this world.
Your friend, & student
Theresa
Keeneman.

Mr. Frat.
I'm sorry that I was not a better student. I'll try to do better next year. Thanks for the good year. Hope you have a nice summer.
Love,
Stephanie Mattson

Mr Frat
thanks for the great
years here. We have been
here together and now we
are leaving to prosper and grow.
good-luck with your new job. Hope
to see you anytime in the future.
P.S. I LOVE you, Jamie VanLaren '83"
good bye for now,
very much

Mr. Frat,
Well I have enjoyed being in you class. I didn't really learn much in this class but it was fun. You are the best teacher I have ever had. I just wish you weren't leaving. I wish I could have you as a teacher again. I'm going to miss you yelling at me and hearing that famous saying "You're walking on thin ice", that was great. We love you alot here. Stay in touch, I hope I could see you sometime. Your Friend for Life, Adam Chavez (408) 842-6624

Mr. Frat,
You're a really good teacher and I'm glad I had you for Bible this year! Sorry you're leaving. I'm going miss you! Well have a great summer! Love,
Tina

P.S.
Sorry for being such a pain in class but when you have to laugh you laugh!

Mr. Frat,
your a great teacher!
and even though I'm a brat I still luv ya.
you have a cute voice
I'm gonna miss ya.
P.S. We had some great laughs!
love,
annette

Mr. Frat,
I was glad I was in your class, but your tests were murder.
Have a nice summer
Hans

Mr. Frat
Well we're graduation I'll never forget spanish 1. We had a ball. I'm sorry you're leaving but so am I so were even. You're a great friend and I'll miss you. Keep in touch!
